While There's Still Time Robert Colacurcio, 2018-09-24 This collection of essays is intended to be a sequel to my previous book *On the True Nature of the Soul* Essays for the Seriously Curious The basic themes are the illusory nature of time its swift passing and ways to make better use of it while we have it The addendum at the end of each essay is meant to give the reader a way to practically apply the ideas in the essay Everything I have written including this book is a development of two basic ideas 1 we are here to see through the illusion of our separateness and 2 the soul is the potential to be one with all things The subject matter of these essays can be succinctly stated as the timeless nature of the soul incarnate as it struggles to realize that nature in time
