Still In The Same Boat:

In the Same Boat Holly Green, 2021-07-20 *In the Same Boat* is the hugely entertaining blend of romance and thrilling adventure that you never knew you needed. It's the eve of the Texas River Odyssey and Sadie Scofield is finally ready for the 265 mile canoe race. It's three days of grueling nonstop paddling where every turn of the river reveals new challenges: downed trees, poisonous snakes, alligators, but the dangers are all worth it. Reaching the finish line is the only way for Sadie to redeem herself for last year when one small mistake spiraled into disaster. Sadie has spent a year training and she's ready for anything except for her brother ditching her at the last minute for a better team. She has no choice but to team up with Cully, her former best friend turned worst enemy. Everything about him irritates her from his stupid handsome face to the way he holds his paddle. But as the miles pass, the pain builds and family secrets come to light. Sadie realizes she'll have to work with Cully instead of against him. Last year's race was a catastrophe, but this year's race just might change her life in ways she never imagined. With an unforgettable heroine and an immersive setting, Holly Green's captivating debut promises heart-stopping action and a swoony romance that will leave you cheering.

Mobility Economies in Europe's Borderlands Marthe Achtnich, 2023-10-26 The arrival of unauthorised migrants at the shores of southern Europe has been sensationalized into a migration crisis in recent years. Yet these depictions fail to grasp migrants' experiences and fall short of addressing a more complex phenomenon. In this original ethnography, Marthe Achtnich examines migrants' journeys and economic practices underpinning mobility to recast how we think of migration. Bringing the perspectives and voices of migrants to the fore, she traces sub-Saharan migrants' journeys along one of the world's most dangerous migration routes through the Sahara Desert, Libya, and then by boat to Malta in Europe. Examining what she calls mobility economies, Achtnich demonstrates how these migrant journeys become sources of profit for various actors. By focusing on migrants' long and difficult journeys, the book prompts a necessary rethinking of mobile life, economic practices under contemporary capitalism, and the complex relationship between the two.
