

THE CAVERNERS' PLACE

JOANNA TROLLOPE

'A most accomplished novelist' *The Times*

Taverners Place

Léo Pomar

Taverners Place:

Other People's Children Joanna Trollope, 2010-10-08 Readers of Erica James Elizabeth Noble and Amanda Prowse will love this wonderfully thought provoking and moving novel of family dynamics from multi million copy bestselling author Joanna Trollope It really is Trollope at her very best A gripping read as shrewdly observant of psychological and domestic detail as anything she has written Daily Telegraph Wonderfully and compulsively readable She can be as subtle as Austen as sharp as Bronte Trollope's brilliant Mail on Sunday Trollope has shown herself capable of such emotional depth that although you turn the pages quickly it is with trembling fingers The Times One of the very best stories I've ever read Reader review Superb Reader review A compulsive read Reader review I loved every moment of this book Reader review Couldn't put it down Reader review TWO PEOPLE IN LOVE DON'T NECESSARILY MAKE A FAMILY For eight year old Rufus life has become complicated His parents Josie and Tom have divorced and are setting off on separate paths But now other people have had to become involved like his mother's new husband Matthew and his father's new friend Elizabeth What's even worse is that there are other children too Matthew's three teenagers who have been conditioned by their mother Nadine to hate his mother Josie Matthew's children come to their father for weekends and make it clear how much they loathe Josie Rufus secretly prefers to be with his father in his peaceful flat in Bath where he realises that he doesn't actually hate the idea of a stepmother if she is peaceful and sane like Elizabeth But where other people's children are concerned neat solutions seldom occur The Other Family Joanna Trollope, 2010-02-18 Fans of Elizabeth Noble Erica James and Amanda Prowse will love this absorbing emotionally charged and beautifully written novel from multi million copy bestselling author Joanna Trollope Our lives are not always as rock solid as we think Inventive surprising and fascinating The Times A page turner that feels like sinking into a warm deep bath With Trollope you are always in safe hands Highly recommended Sunday Express Trollope is shrewdly observant of human interaction Daily Telegraph Fascinating Reader review Absolutely gripping Reader review I could hardly bear to put it down Reader review Another unputdownable book from Joanna Trollope Reader review SOME SECRETS ARE TOO BIG TO STAY HIDDEN Chrissie had always believed that her husband Richie was the one With their three daughters a lovely house and a fulfilling career things couldn't be much better And even if he hadn't given her the one thing she really wanted she knew he loved her But suddenly Richie is no longer there and without him Chrissie's carefully constructed life comes tumbling down and the secrets start to come out As the practicalities of Richie's will must be sorted out Chrissie must tell her daughters of their father's other family a wife and son he had abandoned years before and sworn never to see again And now it is finally time for the two families to face each other The Taverners' place Joanna Trollope, 1987 **The Best of Friends** Joanna Trollope, 1995 From the national bestselling author of *Marrying the Mistress* a novel that asks the compelling question Can a man and a woman be friends The Taverners' Place Caroline Harvey, Joanna Trollope, 2012 A sweeping novel about a great house and its family The Taverners had lived at Buscombe the

mellow stone manor house in Wiltshire for generations They had farmed the land and sent their sons to war and even latterly to commerce in a way of life that seemed timeless But in 1870 a new generation is about to take control Tom Taverner dedicated impulsive deeply caring about his inheritance and his sister Catherine intelligent humorous but frustrated by the limited opportunities open to women in a man s world Tom marries and agricultural depression hits the estate And suddenly it seems that everything which was so secure can no longer hold Stretching in time from the 1870s to the outbreak of the second world war and in distance from Crete to East Africa this warmly satisfying novel is a triumph of storytelling
