

# The Phoenix

## Reading Comprehension Passage

### The Phoenix

Once upon a time, in a faraway land, there lived a magnificent bird called the Phoenix. The Phoenix was no ordinary bird. It had vibrant feathers that shimmered in shades of red, orange, and gold. Its wings were strong and powerful, allowing it to soar high up in the sky. The Phoenix was known for its ability to rise from the ashes and be reborn.

Legend has it that the Phoenix lived for hundreds

of years. When it felt its time was near, it would build a nest made of cinnamon and myrrh. Then, the Phoenix would set its nest on fire, burning itself into ashes. But from those ashes, a new Phoenix would emerge, ready to start its life anew. This incredible cycle of death and rebirth made the Phoenix a symbol of hope and renewal.

People from all over the world traveled to witness the Phoenix. They believed that if they saw the Phoenix, it would bring them good luck and grant them a long life. Many artists were inspired by the Phoenix and painted beautiful pictures of this mythical creature.

The Phoenix was also known for its enchanting song. Its melodious voice could bring joy to anyone who heard it. The sound of its song was said to be so soothing that it could heal the hearts of those who were sad or troubled.

As time went by, the Phoenix became a symbol of courage and strength. It reminded people that no matter how difficult life may seem, there is always a chance to rise again and start afresh. The story of the Phoenix continues to be told from generation to generation, passing on the message of resilience and hope.

And so, the legend of the Phoenix lives on, reminding us that even in the darkest of times, there is always a glimmer of light waiting to guide us towards a new beginning.
