Mallouk, Gary Spraakman, Michael Gibbins, 2007 **Introduction to Management Accounting** Charles T. Horngren, Gary L. Sundem, William O. Stratton, 1996 This edition recognizes the current trends in management accounting and clearly presents the basic concepts and techniques. Although basic concepts in management accounting have not changed dramatically, the application of those concepts has been significantly influenced by a competitive world environment and significant changes in the cost accounting systems used by large companies and corporations. The focus of the text remains the understanding of costs and cost behavior and the use of cost information for planning and control decisions.
