Tentacle Monster In The Woods Mons

Erony,2021-10-04 It's not the first time Arian has gone camping out in the woods but there's something different about the silence around her. The park rangers had reacted in a peculiar manner when she told them that she plans to stay here for the entire week. She's aware of the urban legends around these parts. The stories go that people who come in here do not emerge at all but she dismisses them as just that. Stories Arian is used to the feeling of being watched when she's out in the woods all on her own. Time and experience have reassured her over that it's just paranoia and she will embrace the newfound peace about her. She learns soon enough that there is nothing peaceful in the shadows of the woods. There is a creature here that means to claim her in every way imaginable. PG Excerpt At first she thinks it's just another noise that has shaken her awake. It won't be the first time she's woken up in the middle of the woods because some curious creature had snuck up to her tent in the middle of the night. Except this creature has somehow managed to unzip her tent and wrap its hand around her ankle slowly pulling her out. It must have realized that she had started awake when she makes a loud noise of distress kicking out in panic. The world is suddenly upside down. She manages a shocked yelp as the ground rushes away from her and she's yanked up by her leg the blackness of night swallowing her vision. Fear pulses in her veins and it is more than a little disorienting when she is held upside down by her assailant. It must be a bear. No other creature would be big enough to lift her like this so easily. Blood rushes to her head in her position and it takes a moment for her vision to clear up well enough that she can see where she is but seeing doesn't make things any easier. If anything she is even more confused by what exactly she's being held up by. At first she thinks it's just a mess of shadows a trick of the light making the creature look like it has more limbs than anatomically possible but that's just her brain trying to make sense of the monster she's seeing.

Wanting Slenderman's Tentacles (Tentacle Monster Dubious Consent Erotica) Roxie Feurouge,2012-12-10 Though Marissa's last encounter with the Slender Man was terrifying she's found herself dreaming of his tentacles exploring her body every night. When she finally does head back into the forest she finds herself cornered by another creature entirely. When that creature is scared off by moans Marissa stumbles upon a sexy scene that she never imagined. This 3000 word story includes scenes of tentacle sex, voyeurism, masturbation and a steamy sex scene with Slenderman himself.
