Papers, 1937 **The American practical navigator**, 1886 H.O. Pub United States. Hydrographic Office, 1936
American Machinist, 1897 **The Strategic Presidency** James P. Pfiffner, 1996 The best book on the importance of presidential transitions to the long term successes of administrations Contemporary scholars and practitioners will be especially interested in Pfiffner's treatment of the problems that surrounded the Clinton administration's troubled start Mark J Rozell author of *Executive Privilege* **Extreme Sports Skate!** Michael Shafran, 2003 Provides instruction in everything from standing on skates for the first time to dancing or exercising on them **Honoring the Civil War Dead** John R. Neff, 2005 In his estimation Northerners were just as active as Southerners in myth making after the war Crafting a Cause Victorious myth that was every bit as resonant and powerful as the much better known Lost Cause myth cherished by Southerners the North asserted through commemorations the existence of a loyal and reunified nation long before it was actually a fact Neff reveals that as Northerners and Southerners honored their separate dead they did so in ways that underscore the limits of reconciliation between Union and Confederate veterans whose mutual animosities lingered for many decades after the end of the war Ultimately Neff argues that the process of reunion and reconciliation that has been so much the focus of recent literature either neglects or dismisses the persistent reluctance of both Northerners and Southerners to forgive and forget especially where their dead were concerned Index-catalogue of the Library of the Surgeon General's Office, United States, 1897 *American Practical Navigator* Nathaniel Bowditch, 1943 **Journal of Horticulture, Cottage Gardener and Home Farmer**, 1878 American Druggists' Circular and Chemical Gazette, 1899
