Ball State Basketball Media Guide

RS Peters

Ball State Basketball Media Guide:

Ball State University Anthony O. Edmonds, E. Bruce Geelhoed, 2001 This is a narrative and interpretive history of a major institution of higher education In it the authors want to avoid the pitfalls of too many other college histories which are sometimes either painfully detailed encyclopaedic catalogues of one damn thing after another or panegyrics praising one damn president or construction project after another Obviously they want to tell an interesting story focusing on the people who inhabited the institution from powerful presidents like John R Emens to boisterous students like David Letterman whose fame as a late night talk show host makes his name a household word And they trace the history of the institution and its people from the local business people who pushed to establish higher education in a small Midwestern city in the late 19th century to a 21st century president who spent most of his life in the South But this is not simply a series of stories The authors emphasise two crucial themes that run throughout Ball State s history First more than most American colleges and universities Ball State has had extraordinarily close ties with the community of Muncie especially its elite From the fact that it was named after a local industrialist to vital community participation in its latest fundraising campaign Ball State and Muncie East Central Indiana are inextricably linked Second in many ways Ball State is a representative even paradigmatic American university Targeting mainly students from its region Ball State has had virtually open admission standards for most of its history It has lived what we call the Jacksonian vision of access to education It has also followed a trajectory similar to many other American universities as it moved from normal school to teachers college to comprehensive university Indeed the authors argue it is the Ball States of America that best define this nation s genius in higher education separating this country s system of higher education from those of other countries Ball State University then is both distinctive and representative a fascinating case study in educational history *Illinois Media Guide, Women's Basketball*, 2008 **Pittsburgh's Greatest**

Teams David Finoli, 2017-10-30 Pittsburgh is synonymous with winning From the Penguins and Steelers to the Pirates and Panthers the Steel City knows championships There must be something special in the water to make Pittsburgh so particularly gifted with its sports teams The most famous teams in the city s history would most likely be the 1970s Steelers known as the Steel Curtain for obvious reasons and the Penguins who raised the Stanley Cup five times Names such as Lemieux Crosby Roethlisberger Bradshaw Clemente and Stargell are legends of American sport and members of Pittsburgh s most cherished franchises but for every sports legend and multi million dollar franchise there are a dozen more talented players and long past teams that have been forgotten to history the Negro League s Crawford and Homestead Grays are too often overlooked in the city s sports history but were as talented as any team that has played there Author Dave Finoli ranks the fifty greatest teams that won trophies brought glory and lifted the hearts of Pittsburgh s devoted sports fans

Benching Jim Crow Charles H. Martin, 2010 Historians sports scholars and students will refer to *Benching Jim Crow* for many years to come as the standard source on the integration of intercollegiate sport Mark S Dyreson author of *Making the*

American Team Sport Culture and the Olympic Experience Indiana Basketball Media Guide ,1998 **From Six-on-Six to Full Court Press** Janice A. Beran,2008-02-01 From Six on Six to Full Court Press is a complete history of Iowa women s high school college and recreational basketball Beran s exhaustive research covers legendary players and coaches changes in rules stats on Iowa girls high school records alterations in playing styles and uniforms along with the heart stopping excitement of the state tournament Hoop Source **Bowker's News Media Directory 2007** CSA Journal Staff,2006-09

Native Hoops Wade Davies,2020-01-30 A prominent Navajo educator once told historian Peter Iverson that the five major sports on the Navajo Nation are basketball basketball basketball basketball and rodeo The Native American passion for basketball extends far beyond the Navajo whether on reservations or in cities among the young and the old Why basketball a relatively new sport should hold such a place in Native culture is the question Wade Davies takes up in Native Hoops Indian basketball was born of hard times and hard places its evolution traceable back to the boarding schools or Indian schools of the early twentieth century Davies describes the ways in which the sport plied as a tool of social control and cultural integration was adopted and transformed by Native students for their own purposes ultimately becoming the Rez ball that embodies Native American experience identity and community Native Hoops travels the continent from Alaska to North Carolina tying the rise of basketball and Native sports history to sweeping educational economic social and demographic trends through the course of the twentieth century Along the way the book highlights the toils and triumphs of well known athletes like Jim Thorpe and the 1904 Fort Shaw girl s team even as it brings to light the remarkable accomplishments of those whom history has until now left behind The first comprehensive history of American Indian basketball Native Hoops tells a story of hope achievement and celebration a story that reveals the redemptive power of sport and the transcendent spirit of Native culture **TV Guide** ,1997 *Willing's Press Guide* ,1997 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A **Sport Public Relations** G. Clayton Stoldt,Stephen W. Dittmore,Scott E. Branvold,2012-02-14 Sport Public Relations Managing Organizational Communication Second Edition takes a comprehensive businesslike approach to the practice of public relations in sport Rather than address public relations only as a means of supporting the marketing function or leveraging the media s interest in an event or organization this text recognizes public relations as a function that is integral to many aspects of a sport organization s goals The book covers all aspects of public relations starting with the foundations of PR in sport and progressing all the way through legal and ethical issues that sport public relations professionals encounter The second edition has been reorganized to better emphasize new opportunities for sport organizations to directly engage the masses and function as their own media Following are some of the exciting updates to this edition Discussion of social media and other e technologies now permeates the entire book rather than being limited to a single chapter Updated chapters on new media corporate social responsibility and legal and ethical issues reflect areas of growing emphasis and concern for sport

organizations New Insight From a Professional and other sidebars offer readers a firsthand account of the roles of PR professionals in today's sport environment A complete set of ancillaries helps instructors incorporate e technology into their courses and prepare engaging class discussions In a clear and engaging style Sport Public Relations Second Edition expresses the roles of public relations and PR professionals as vital components to a sport organization's overall management Updated tools including sample media releases credentials letters and media guides provide students with tangible examples of the work that PR professionals produce Special elements throughout the text teach students what sport communication work is like the tasks and dilemmas practitioners face and available opportunities and careers in the industry Real life examples and historical events demonstrate how sport communication has evolved and the vital role it plays in effective sport management Chapter objectives key terms summaries and learning activities keep students focused on key topics and allow them to better prepare for course projects and class discussion Sport Public Relations Second Edition provides the theoretical basis for industry practice as well as guidance on applying those concepts Readers will learn about the history of sport public relations and how it is evolving the foundations for effective media relations in sport including information services and organization media and the critical need for a crisis communication plan and management considerations Readers will also consider the diverse forms of public relations practice encompassing media community employee investor customer donor and government relations With this text both students and professionals will understand the full range of functions in the realm of sport public relations and how to be progressive in their current and future public relations practices
