

Thailand's Boom and Bust

By Pasuk Phongpaichit and Chris Baker

CHIANG MAI, THAILAND: SILKFORM BOOKS, 1998
368 PAGES

Thailand's *Boom and Bust* is an examination of both the fundamental changes and subtle developments associated with Thailand's decade-long economic expansion that ostensibly started in the mid-1980s. In my view, Phongpaichit and Baker do a fine job of steering clear of indulging in what often tends to be a dry and worst yet, one-dimensional economic analysis of Thailand's experience during the aforementioned period. At first glance, it might appear as if the authors embark on a rather overly ambitious task of providing any meaningful assessment of the boom and bust on the varied spheres of Thai society. Yet the reader will find a tightly knited, edifying, and provoking look at the genesis of booms and its impact domestically. Beyond examining the sources and economic consequences of the expansion and subsequent bust, the authors address social, cultural and political implications associated with the decade-long prosperity. In this respect, the twelve chapters of the book incorporate a reasonably healthy dose of political and social changes to paint a fairly inclusive picture of the transformation of Thailand.

Early on in the book, Phongpaichit and Baker effectively set the framework for their analysis by marrying the domestic ingredients and international forces that propelled Thailand's economic growth. In the case of the former, they ground their discussion in a fairly crisp yet illuminating overview of the rise of the Chinese bourgeoisie and its historical imprint on the commercial/industrial landscape in Thailand. This discussion nicely captures the emergent and mutually reinforcing relationship between the commercial/industrial class and the politico-military establishment. It is followed by a sufficiently detailed examination of the impact of Japanese and other multinational capital in the 1980s, coupled with an assessment of the state's development strategy up to and during the boom. Unlike what one often encounters in various pedestrian recapitulations of the apparent "developmental state" in Thailand, the authors' nuanced, yet not unduly protracted analysis of the state's role clears the clutter somewhat and sets apart the dynamics of state involvement in Thailand relative to its counterparts in East Asia. To be sure, they don't dismiss the view that the state has played a strategic role including giving shape to the manufacturing-based, export-led growth, yet the discussion provides the reader with a deeper appreciation of Thailand's peculiar experience.

It is the second half of the book, which focuses on the social and political implications of the economic boom (and subsequent decline), that frankly is the foremost contribution by the authors. In separate chapters, they take up a wide range of issues clustered around labor force changes, urban social/cultural change, transformation of rural society, and political reform and the ostensible process of democratization unleashed during the decade of rapid economic growth and decline. These chapters are substantively self-contained and resemble distinct "case studies." Hence, teachers will find that they could readily use any combination of the chapters in the latter half of the book that best suit their needs/interests without compromising the overarching theme of the book. Although the chapters are by-and-large engaging and the authors nicely integrate a substantial body of research into their analysis, one would be hard-pressed to contend that there is anything particularly groundbreaking in the book.

Perhaps it's the sociologist in me, but I have to say that the chapter on "City Thais," which provides an assessment of the reverberations on popular culture and urban life emanating from the economic boom, offers a refreshing twist to the book. There is little doubt that this chapter will be eye-catching and rather popular among students. Given that popular culture and related lifestyle themes are not exactly the staple in political economy scholarship, from a pedagogical standpoint this chapter would be an effective resource for impressing upon students the versatility and interdisciplinary nature of political economy.

To be sure, the book as a whole is integrated and balanced in its treatment of the costs and consequences associated with the boom and bust. Further, it is not encumbered by undue specialized jargon. On the contrary, one of the virtues of this book is its accessibility. The authors essentially relegate the task of framing or contextualizing their discussion in the extant theoretical debates about the Asian economic miracle. Indeed, there is barely a minimalist, theoretically relevant commentary by way of a passing acknowledgement in the last chapter. In this respect, anyone wanting to delve into even a marginally meaningful consideration of the theoretical debates associated with Asian development would need to adopt a relevant supplement to go along. The book would be best suited for an undergraduate college audience under the tutelage of a Southeast Asianist. At any rate, it deserves serious consideration from teachers looking for a valuable "centerpiece" in a course focusing on the political economy of Thailand, but it could also just as easily be used, in conjunction with other materials, in a course on Southeast Asia. ■

SUNIL KURKUPA is Associate Professor of Comparative Sociology at the University of Puget Sound in Tacoma, Washington. His areas of interest include Southeast Asia, sociology of development, and international political economy.

Thailands Boom And Bust Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Thailand Boom And Bust free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Thailand Boom And Bust free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Thailand Boom And Bust free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading *Thailand's Boom and Bust*. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading *Thailand's Boom and Bust* any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Thailand's Boom and Bust Books

1. Where can I buy *Thailand's Boom and Bust* books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a *Thailand's Boom and Bust* book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
