That Certain Feeling:

That Uncertain Feeling Kingsley Amis, 2013-04-04 In *That Uncertain Feeling* by Kingsley Amis competition is stiff for the position of sub librarian in Aberdarcy Library For John Lewis the situation is complicated by the attentions of daunting and desirable village socialite Elizabeth Gruffyd Williams who is married to a member of the local Council Pursuing an affair with her whilst keeping his job prospects alive is John s predicament as he finds himself running down Welsh country lanes at midnight in a wig and dress resisting the advances of local drunks and suffering the long speeches of a nut faced clergyman At times tenderly satirical and at times riotously slap stick Amis sends up an array of rural stereotypes in this story about a man who doesn t know what he wants Kingsley Amis s 1922-95 works take a humorous yet highly critical look at British society especially in the period following the end of World War II Born in London Amis explored his disillusionment in novels such as *That Uncertain Feeling* 1955 His other works include *The Green Man* 1970 *Stanley and the Women* 1984 and *The Old Devils* 1986 which won the Booker Prize Amis also wrote poetry criticism and short stories

The Bob Hope Films James L. Neibaur, 2005-01-10 Bob Hope got his start in show business when he was in his twenties remained active past the age of 90 and lived to be 100 His longevity was remarkable especially when one considers that he was active in vaudeville radio motion pictures and television He excelled in each of these popular forms of entertainment but his films are the most genuine testaments to his timeless comedy His smart quips fast pace and breezy manner were perfect ingredients for the brand of comedy that was popular during World War II and the years immediately following the war This book begins with a discussion of Bob Hope s early career and the short films that he starred in and then covers each of the Hope films beginning with *The Big Broadcast* of 1938 The Hope films the author says do not have deep subtexts or clever cinematic innovations but provide clever uplifting entertainment that continues to inspire laughter and offer solid examples of the humor that made Americans smile during and after World War II Cast and credit information is provided for each film
