That I Might Not Sin:

The Sinfulness of Sin Ralph Venning,2015-02-12 In this powerful treatise Puritan preacher Ralph Venning exposes the heinous nature of sin revealing its devastating effects and the ruin it brings to the human soul With uncompromising clarity Venning shows how sin corrupts man s being offends God s holiness and deserves eternal condemnation Yet he also points to the grace and mercy of Christ who delivers repentant sinners from sin s guilt and power This compelling work is a timeless reminder of sin s ugly reality and the glorious redemption found only in the gospel

Nicene and Post-Nicene Fathers

Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume II of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover one of Augustines masterworks City of God In this groundbreaking work Augustine proposes a philosophy that sees history as having a purpose and direction Coming at a time when Roman civilization was failing this work argued that Romans could find comfort in Christianity because all of history was merely a struggle between the City of God believers and the City of Man nonbelievers Should Romans put their faith in the City of God even their declining civilization should cause them no grief Even though it was written at a very particular time in history City of God appeals to all Christians seeking inspiration to continue their religious practice

The Catechism Explained Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is

especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface The Living Age ,1883 **Christ in Creation and Ethical Monism** Augustus Hopkins Strong,1899 The Works of Jonathan Edwards: Volume I - II Jonathan Edwards,2017-03-19 Continuing in the second book of the first volume of Jonathan Edwards monumental works it opens up by talking about the purpose for which we and the world was made and continues on to talk about the origin of sin and its purpose and as well as touches on the religious affections that are within the church The Complete Works of Menno Simons Menno Simons,1871 Potter's American Monthly ,1881 **Addresses on holiness, delivered at the Star hall convention ... 1890 ed. by J.S.
