

The Abolitionist Movement

Stephen Currie

The Abolitionist Movement:

The Abolitionist Movement Tim McNeese, 2007 Discusses the abolitionist movement in the United States from the time of the slave ships to the end of the Civil War

The Abolitionist Movement Christopher Cameron, 2014-07-23 Intended for high school and undergraduate students this work provides an engaging overview of the abolitionist movement that allows readers to consider history more directly through more than 20 primary source documents The Abolitionist Movement Documents Decoded collects primary sources pertaining to various aspects of the American anti slavery movement in the 18th and 19th centuries and presents these firsthand sources alongside accessibly written expert commentary in a visually stimulating format Making use of primary source documents that include pamphlets articles speeches slave narratives and court decisions the book models how scholars interpret primary sources and shows readers how to critically evaluate the key documents that chronicle this major American movement The work begins with an essay that contextualizes the documents and guides readers toward perceiving the narrative that comes into focus when the seemingly disparate elements are read as a collection Annotations throughout the book translate difficult passages into lay language suggest comparisons of key passages and encourage the reader to cross reference documents within the volume This book will illuminate American abolitionism and U S history prior to the Civil War while helping readers improve their ability to analyze and interpret primary source information a key skill for both high school and undergraduate level students

The Abolitionist Movement Claudine L. Ferrell, 2005-12-30 The abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Primary documents illustrations and biographical sketches of notable figures illuminate the conflicted struggle to end slavery in America Some called them fanatics others called them liberators and saints Immeasurable though their ultimate impact may have been the abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Claudine Farrell s concluding essay draws parallels between the abolitionists struggles and the Civil Rights movement of the 1950s 1970s demonstrating the significant amount of ground being gained in a still unfinished war Five narrative chapters explore the abolitionist movement s religious beginnings the conflict between moral justice and union preservation and the revolts divisions and conflicts leading up to the Civil War Biographical portraits of such notable figures as Frederick Douglass William Lloyd Garrison and the Grimke sisters

supplement the discussion and selections from some of the most influential documents in American history including the Emancipation Proclamation the US Constitution and The Writings of Thomas Jefferson provide actual historical evidence of the events Twelve illustrations a chronology index and extensive annotated bibliography make this an ideal starting point for students looking to understand the battle for and against slavery in America *El movimiento abolicionista / The Abolitionist Movement* Lorijo Metz,1900-01-01 Learn about the brave men and women who fought to end slavery This book introduces young readers to heroes such as Frederick Douglass William Lloyd Garrison and Harriet Tubman Topics covered include the Underground Railroad the long struggle between free states and slave states the Emancipation Proclamation and the Thirteenth Amendment Help bilingual students understand the abolitionists influence throughout American history and today *The Abolitionist Movement, Revised Edition* Tim McNeese,2019-07-01 The abolitionist movement which was a campaign to end the practice of slavery and the slave trade began to take shape in the wake of the American Revolution In the years leading up to the Civil War the movement continued to gain strength largely due to the determination of such leaders as William Lloyd Garrison Frederick Douglass Harriet Tubman and John Brown The Abolitionist Movement Revised Edition is a thorough exploration of this seminal movement in American history By offering readers numerous photographs insightful text a chronology a bibliography and suggestions for further reading this eBook makes the people and events associated with abolitionism come alive in a potent yet accessible manner *Abolitionism* Richard S. Newman,2018 A fresh synthesis of the abolitionist movement and ideas in the Anglo American world *The Philosophy of the Abolition Movement* Wendell Phillips,1860 Is there any conflict between that Higher Law and the Constitution In 1853 Wendell Phillips addresses the American Anti Slavery Society He explains why he embraces the theory and his stance on abolitionism He further endorses the anti slavery movement and its importance in assuring America s Democracy **Agitation for Freedom** Donald G. Mathews,1972 **The Abolitionist Decade, 1829-1838** Kevin C. Julius,2004-11-10 The years between America s founding and the cusp of the Civil War are often overlooked in discussions of America s struggle over slavery The conflagration that nearly destroyed the country did not ignite quickly but was the culmination of a long smoldering debate that saw significant developments in those intervening decades In particular the period from 1829 to 1838 witnessed the growth of the Abolitionist movement begun by determined visionaries bent on bringing the evils of slavery to the forefront of America s consciousness and ending a glaring injustice Attacked by their opponents scorned by both sides for their missionary zeal often relegated to a footnote in history the Abolitionists were key in shaping the argument over slavery and bringing America s greatest internal struggle to its conclusion This examination of the Abolitionist movement presents a year by year outline of the period from 1829 to 1838 chronicling the growth of the Abolitionists as a social and political group By giving an overview of other important occurrences each year it depicts the movement in a broader context cementing relationships between seemingly disparate elements of American history and giving the movement its full due in the struggle

to end slavery *The Abolitionist Movement* James Tackach,2005-06-27 This text recreates one of the greatest social movements in American history the abolitionist movement The book contains both primary sources the words of prominent abolitionists and secondary sources the writings of biographers and historians of the antebellum era *The Antislavery Vanguard* Martin B. Duberman,2015-12-08 The generally accepted historical viewpoint that the abolitionists were meddlesome fanatics is challenged here by a group of contemporary historians In this re examination of thee abolitionists the harsh one sided judgment that they were men blind to their own motives to the needs of the country and even to the welfare of the slaves and that their self righteous fury did much to bring on a needless war is not completely reversed but a more sympathetic evaluation of their role does emerge The motives tactics and effects of the abolitionist movement are reviewed and its place in the broader context of the antislavery movement is reconsidered Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Abolitionism** Reyna Eisenstark,Jennifer L. Weber,2010 From John Adams to the women who supported abolition this volume provides a comprehensive history of the abolitionist movement Beginning with a historical explanation of the African slave trade and its role in American history Abolitionism explores every important person event and issue that helped push the North and South closer to the Civil War This book also includes colorful sidebars featuring primary resource documents like the Gettysburg Address and narratives from Harriet Beecher Stowe s Uncle Tom s Cabin *The Last Abolition* Angela Alonso,2021-10-07 Seamlessly entwining archival research and sociological debates The Last Abolition is a lively and engaging historical narrative that uncovers the broad history of Brazilian anti slavery activists and the trajectory of their work from earnest beginnings to eventual abolition In detailing their principles alliances and conflicts Angela Alonso offers a new interpretation of the Brazilian anti slavery network which combined forged a national movement to challenge the entrenched pro slavery status quo While placing Brazil within the abolitionist political mobilization of the nineteenth century the book explores the relationships between Brazilian and foreign abolitionists demonstrating how ideas and strategies transcended borders Available for the first time in an English language edition with a new introduction this award winning volume is a major contribution to the scholarship on abolition and abolitionists *Blacks in the Abolitionist Movement* John H. Bracey,August Meier,Elliott M. Rudwick,1971 **Caribbean Slave Revolts and the British Abolitionist Movement** Gelien Matthews,2013-01-02 In this illuminating study Gelien Matthews demonstrates how slave rebellions in the British West Indies influenced the tactics of abolitionists in England and how the rhetoric and actions of the abolitionists emboldened slaves Moving between the world of the British Parliament and the realm of Caribbean plantations

Matthews reveals a transatlantic dialectic of antislavery agitation and slave insurrection that eventually influenced the dismantling of slavery in British held territories Focusing on slave revolts that took place in Barbados in 1816 in Demerara in 1823 and in Jamaica in 1831 32 Matthews identifies four key aspects in British abolitionist propaganda regarding Caribbean slavery the denial that antislavery activism prompted slave revolts the attempt to understand and recount slave uprisings from the slaves perspectives the portrayal of slave rebels as victims of armed suppressors and as agents of the antislavery movement and the presentation of revolts as a rationale against the continuance of slavery She makes shrewd use of previously overlooked publications of British abolitionists to prove that their language changed over time in response to slave uprisings Historians previously have examined the economic religious and political bases for slavery s abolishment in the Caribbean but Matthews here emphasizes the agency of slaves in the march toward freedom Her compelling work is a valuable analytical tool in the interpretation of abolition in North America uncovering the important connections between rebellious slaves on one side of the Atlantic and abolitionists on the other side

The Quest for Freedom Stephen Currie,2006 Discusses the role of the abolitionists the fight against slavery and the tremendous impact they made on American history

Politics and the Public Conscience Edith F. Hurwitz,1973

A Timeline of the Abolitionist Movement Judith Levin,2004 Traces the history of the abolitionist movement in chronological order discussing protests the American Revolution and the end to slavery

The History of the Rise, Progress and Accomplishment of the Abolition of the African Slave Trade by the British Parliament Thomas Clarkson,1808

"Bury Me in a Free Land" Gwendolyn J. Crenshaw,1986

Adopting the Melody of Expression: An Mental Symphony within **The Abolitionist Movement**

In a global consumed by displays and the ceaseless chatter of instantaneous interaction, the melodic splendor and mental symphony developed by the prepared term frequently fade into the back ground, eclipsed by the relentless sound and distractions that permeate our lives. However, set within the pages of **The Abolitionist Movement** a marvelous literary treasure filled with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that captivating masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden songs and profound influence resonating within each carefully crafted phrase. Within the depths with this poignant assessment, we will investigate the book is main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
