The Absolute:

Challenging the Absolute Simon F. Oliai, 2014-12-30 Our contemporary world presents a seemingly inexplicable paradox It is a world where interaction among societies of different cultural traditions has never been easier A world in which modern technology has visibly overcome the physical barriers that had long condemned the majority of men to relative isolation from one another Yet our world is also one in which the illusion of a lost original cultural or religious identity grounded by a metaphysical absolute pits men against one another A physically more accessible world has thus become an increasingly fundamentalist one In this book written in the wake of such influential European thinkers as Nietzsche Heidegger Foucault Derrida and Vattimo Simon Oliai analyzes the conceptual underpinnings of this paradox and argues that unless the European affirmation of man's finite existence becomes universal we shall never rid ourselves to echo Nietzsche of the repressive shadow of a long dead metaphysical idol **Search for the Absolute Truth**, Metamorphoses of the

Absolute Otto Neumaier, Daina Teters, 2019-01-10 This collection of essays is devoted to the diversity of the conceptual and terminological definitions of the notion of the absolute Absolute comprises both the concepts of the Western world related to God and the verbal constructions flowing from these ideas in the spheres of law philosophy linguistics politics medicine literature and arts Over time absolute and its neologisms have undergone various modifications assuming the associated characteristics of syntactic ambiguity and inflation Absolute can imply an increase in the degree of a quality attached to some object or phenomenon and can be used as either an adverbial modifier or a proper noun In its appearances as a procedural term absolute mostly conveys a negative connotation when evaluating some action The question posed in this book is not what absolute is but what possibilities exist with regard to perceiving and conceptualizing it in human terms both historically and in the present The Pharmacopoeia of the United States of America (The United States Pharmacopoeia), 1883
