## **The Marriage Medallion:**

**THE MARRIAGE MEDALLION** Christine Rimmer, Misao Hoshiai, 2015-01-01 He's going to be my husband Princess Brit is forced to marry to preserve the royal bloodline so she flees the palace and heads for the distant North Sea. But on the way there her plane crashes and she is thrown against the steep cliffs. She's hurt and terrified. As if in answer to her pleas for help a dark shadow appears. Is he the legendary black knight? No it's Eric Greyfell. He's as beautiful as a hero from Norse myth but his heart is as impenetrable as a stone statue. And he's the man she was expected to marry.

## **Four Days, Five Nights**

Christine Rimmer, Christine Flynn, 2003 *The Marriage Medallion* Christine Rimmer, 2010-05-01 When I next see this medallion it will be around the neck of my betrothed. With those words originally uttered by his father Prince Eric Greyfell dismissed Brit Thorson's theory about the mysterious medallion she thought she was given for luck. But she knew he was correct. For the man who stood before her was not only her temptation he was her destiny. Eric knew that Brit was the woman he was destined to spend eternity with. Now if he could just put an end to her incessant questions. For she was sure that she had seen him with her dead brother Prince Valbrand a man whose status Eric had vowed never to reveal. But someday soon Eric would be making a different kind of promise to Brit one that would have to take precedence over all other vows.

*Heroic Hearts* Jennifer J. Popiel, 2021-06 *Heroic Hearts* examines how young women in nineteenth century France authorized by a widespread cultural discourse that privileged individual authority over domesticity and marriage sought to change the world. Jennifer J. Popiel offers a recuperative reading of sentimental authority especially in its relationship to religious vocabulary. *Heroic Hearts* uncovers the ways sentimental appeals authorized women to trust themselves as modern actors for a project of cultural restoration. With their emphasis on sacrifice and heroism these cultural currents offered liberatory potential. *Heroic Hearts* examines not only general cultural currents but their adoption by particular women each of whom was privileged with access to money and social influence. The words of three extraordinary women Philippe Duchesne, Pauline Jaricot and Z lie Martin offer powerful testimony to their agency. These women's rejection of traditional domesticity believed to be a formative influence for their class demonstrates how women understood the imperative to change the world outside of their natural families. Their writings which demonstrate the appeal of sentimental virtue show us

how women's public lives could exist not in opposition to prevailing religious and social ideals but because of them      **The lane that had no turning, and other tales** sir Horatio Gilbert G. Parker (bart.),1900      Architectural Images in Roman State Reliefs, Coins, and Medallions Melanie Dara Grunow,2002 Depictions of architecture in the official state reliefs coins and medallions of the Roman emperors have much to reveal about how the Romans conceptualized and manipulated the urban environment of the city of Rome for symbolic and ideological purposes Such images have always been analyzed for the valuable evidence they provide concerning the original appearance of badly damaged and lost structures But to consider the architectural images in the background of figural scenes depicting rituals and historic events primarily as topographic evidence does not do them justice In this dissertation I place architectural backgrounds in their contexts within compositions within the state imagery of the Roman emperors and within the topography of Rome      **Memorials of Wedgwood** ,1874
