## Thanking God:

**365 Days of Thanking God** Daniella Whyte, 2010-11-23 This book is not about the holiday called Thanksgiving It is not about how to celebrate Thanksgiving This book is a challenge to you to cultivate a heart of thankfulness to God and to the people He has placed in your life 365 days of the year Thankfulness is not about keeping tradition It is a matter of the heart It should be an everyday occurrence It should be a habit it should be a way of life It may seem as though it is small or insignificant to you but it means a lot to God and to others I pray that this book will encourage you and challenge you to be thankful for everything Daniella from the Introduction You simply will not be the same person two months from now after consciously giving thanks each day for the abundance that exists in your life And you will have set in motion an ancient spiritual law the more you have and are grateful for the more will be given you Sarah ban Breathnach **God's Word Made Plain** Pastor Jim, 2010-10 James Kirkland a retired pastor lives with his wife Lyn in Lancaster Pennsylvania where they minister together through Starfish Ministries a work they founded in 2002 One outreach of that ministry is two radio shows which have aired weekly for 28 years and on which the host has become known as Pastor Jim The couple also ministers to victims of relationship betrayal through seminars and their first book Healing For the Broken Hearted This book is written to provide God's children with an understandable practical guide to Scripture which is designed for daily use Each day's devotional is presented in a simple one page format but is packed with useful and sound Bible truth Expect a blessing as you read each day's entry it certainly has been a blessing for me to be able to provide this resource to you *Colossians* David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey **Battle Prayers** Michael J.
