Weingarden,2025-12-23 Using a transdisciplinary method combining art history literary studies and neuroaesthetics this book examines the modern urban experience of nineteenth century Paris through language and images of fragmentation and transformation The volume includes new empirical research conducted in collaboration with neuropsychologists which tracks present day viewers physical and psychological responses to nineteenth century painting and photography thus providing data to model an experiential aesthetic for Baudelairean modernity Weingarden reframes our understanding of Haussmannization the demolition and rebuilding of the city into a modern metropolis as witnessed by nineteenth century Parisians while also shedding new light on writers responses particularly those of Charles Baudelaire and of visual artists like Edouard Manet who contemplated and theorized this modernity and its impact Using a unique word and image methodology the author illustrates the development of ironic parody as a pictorial device that represents the rupture fragmentation and transmutation experienced by the artists and their viewers revealing how art historians can utilize nineteenth century neuropsychological practices and current neuroscience methods to reconstruct the lived embodied experiences of nineteenth century Paris This book will be of interest to students and scholars working in art history modern art urban studies and neuropsychology **Comedy and the Public Sphere**

Arpad Szakolczai,2012-12-12 The book aims at reframing the discussion on the public sphere usually understood as the place where the public opinion is formed through rational discussion The aim of this book is to give an account of this rationality and its serious shortcomings examining the role of the media and the confusing of public roles and personal identity It focuses in particular on the role of the theatrical and comical in the historical development of the public sphere and in this manner reformulating definitions of common sense personal identity and culture **The Absolute Comic** Edith Kern,

Beckett, Literature and the Ethics of Alterity S. Weller,2006-05-25 In Beckett Literature and the Ethics of Alterity Weller argues through an analysis of the interrelated topics of translation comedy and gender that to read Beckett in this way is to miss the strangely anethical nature of his work as opposed to the notion that the literary event constitutes the affirmation of an alterity *Eliot's Dark Angel : Intersections of Life and Art* Ronald Schuchard Goodrich C. White Professor of English Emory University,1999-09-13 Schuchard's critical study draws upon previously unpublished and uncollected materials in showing how Eliot's personal voice works through the sordid the bawdy the blasphemous and the horrific to create a unique moral world and the only theory of moral criticism in English literature The book also erodes conventional attitudes toward Eliot's intellectual and spiritual development showing how early and consistently his classical and religious sensibility

manifests itself in his poetry and criticism The book examines his reading his teaching his bawdy poems and his life long attraction to music halls and other modes of popular culture to show the complex relation between intellectual biography and art **American Literary Realism, 1870-1910** ,1986 *The Comic in Theory & Practice* John Jacob Enck,Elizabeth T.

**on Art and Literature** Charles Baudelaire,1992 Before publishing the sensuous and scandalous poems of *Les Fleurs du Mal* Charles Baudelaire 1821 67 had already earned respect as a forthright and witty critic of art and literature This stimulating selection of criticism reveals him as a worshipper at the altar of beauty illuminating his belief that the pursuit of this ideal must be paramount in artistic expression Reviews of exhibitions discuss works by great painters such as Delacroix and Ingres in fascinating detail and Of Virtuous Plays and Novels sees Baudelaire as an avenging angel in defence of true art Writings on Poe Flaubert and Gautier evoke a profound understanding of fellow artists while his single excursion into musical criticism Richard Wagner and Tannh user in Paris displays an incisive awareness of the magical power of suggestion in music
