## **The 150 Parables:**

**The 150 Parables** Michael Carrell,2005-02 In this book the gospels of Matthew Mark Luke and John are diagrammed in this literary form to allow the reader the opportunity to understand the meaning and purpose of every verse in all four gospels

*The Public Life of Our Lord Jesus Christ. The Training of the Apostles* Henry James Coleridge,2025-08-24

Reprint of the original first published in 1884 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

**The Life of Our Life** Henry James Coleridge,1884      **The Marcan Portrayal of the "Jewish"**

**Unbeliever** Neil Ronald Parker,2008 One of the most lamentable aspects of Christendom's history has been the long standing antipathy of some of its members toward persons of the Jewish faith However the writer of Mark's gospel did not intend to promulgate such antipathy Parker's groundbreaking re-assessment of how the evangelist applies Jewish scriptures serves to establish the true nature of Mark's unfavourable depiction of Judaism's custodians as a theological construct The overriding purpose behind Mark's caricature of Jesus' compatriots was to explain the presence of faulty belief or even unbelief among a Gentile readership Subsequent generations have mistakenly given historical credence to Mark's account of Jesus's ministry Regrettably this has resulted in the erroneous theological legitimization of atrocities against the Jews

**Stories with Intent** Klyne Snodgrass,2008-01-11 Stories with Intent offers pastors and students an accessible and comprehensive guide to Jesus' parables Klyne Snodgrass explores in vivid detail the context in which these stories were told the purpose they had in Jesus' message and the ways they have been interpreted by the church and modern scholarship While holding a consciously evangelical approach Snodgrass deals throughout with a broad spectrum of opinions and interpretations He begins by surveying the primary issues in parables interpretation Offering both a new more functional classification system for Jesus' parables and guidelines for interpreting them he provides an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco-Roman world The remaining chapters group the longer and more important parables of Jesus thematically and give a comprehensive treatment of each including background and significance for today

**A Theology of Matthew's Gospel** Michael J. Wilkins,2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify, defend, and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history, theology, and literature The first horizon

focuses on Jesus's history ministry. Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven. The second horizon develops Matthew's theological perspective for his audience's. Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah. This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology, the kingdom of heaven, discipleship, the Church, church Israel past, present and future, the death and resurrection of Jesus, mission commission and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

### **The Gospel narrative, or, Life of Jesus**

**Christ ... and epitome and harmony of the Gospels, by sir R.W. Rawson** sir Rawson William Rawson, 1895 **Voice of Deliverance** Keith D. Miller, 1998 What made the speeches of Martin Luther King Jr's so inspiring to all people and enabled blacks and whites to move in harmony to action and commitment Keith Miller shows how the skillful borrowing and blending of both black and white written traditions was the key to King's effectiveness **Jesus' Last Week** R. Steven Notley, Marc Turnage, Brian Becker, 2006-03-01 For the past forty years but for only the first time in history Christian scholars fluent in Hebrew and living in the land of Israel have collaborated with Jewish scholars to examine Jesus sayings from a Judaic and Hebraic perspective. The result of this research confirms that Jesus was an organic part of the diverse social and religious landscape of Second Temple period Judaism. He like other Jewish sages of his time used specialized methods to teach foundational Jewish theological concepts such as God's abundant grace. Jesus' teaching was revolutionary in a number of ways particularly in three areas his radical interpretation of the biblical commandment of mutual love, his call for a new morality and his idea of the Kingdom of Heaven. *Jerusalem Studies in the Synoptic Gospels* the initial volume focuses on the Passion Narratives in a search for the Historical Jesus.
