

The Abolitionist

James Richardson

The Abolitionist:

The Abolitionist's Journal James Richardson, 2022-10 The author raises questions about why the fervent commitment to the emancipation of African Americans was nearly forgotten by his family exploring the racial attitudes in the author's upbringing and the ingrained racism that still plagues our nation today

The Abolitionist Movement, Revised Edition Tim McNeese, 2019-07-01 The abolitionist movement which was a campaign to end the practice of slavery and the slave trade began to take shape in the wake of the American Revolution In the years leading up to the Civil War the movement continued to gain strength largely due to the determination of such leaders as William Lloyd Garrison Frederick Douglass Harriet Tubman and John Brown The Abolitionist Movement Revised Edition is a thorough exploration of this seminal movement in American history By offering readers numerous photographs insightful text a chronology a bibliography and suggestions for further reading this eBook makes the people and events associated with abolitionism come alive in a potent yet accessible manner

The Abolitionist Movement Claudine L. Ferrell, 2005-12-30 The abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Primary documents illustrations and biographical sketches of notable figures illuminate the conflicted struggle to end slavery in America Some called them fanatics others called them liberators and saints Immeasurable though their ultimate impact may have been the abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Claudine Farrell's concluding essay draws parallels between the abolitionists' struggles and the Civil Rights movement of the 1950s 1970s demonstrating the significant amount of ground being gained in a still unfinished war Five narrative chapters explore the abolitionist movement's religious beginnings the conflict between moral justice and union preservation and the revolts divisions and conflicts leading up to the Civil War Biographical portraits of such notable figures as Frederick Douglass William Lloyd Garrison and the Grimke sisters supplement the discussion and selections from some of the most influential documents in American history including the Emancipation Proclamation the US Constitution and The Writings of Thomas Jefferson provide actual historical evidence of the events Twelve illustrations a chronology index and extensive annotated bibliography make this an ideal starting point for students looking to understand the battle for and against slavery in America

The Abolitionists Richard Orr Curry, 1973

The Abolitionist Movement Tim McNeese, 2007 Discusses the abolitionist movement

in the United States from the time of the slave ships to the end of the Civil War William Lloyd Garrison (1891) Archibald H. Grimke, 2020-07-17 Reproduction of the original William Lloyd Garrison 1891 by Archibald H Grimke **The Abolitionist** William Lloyd Garrison, 1833 *The Abolitionist Decade, 1829-1838* Kevin C. Julius, 2004-11-10 The years between America's founding and the cusp of the Civil War are often overlooked in discussions of America's struggle over slavery. The conflagration that nearly destroyed the country did not ignite quickly but was the culmination of a long smoldering debate that saw significant developments in those intervening decades. In particular, the period from 1829 to 1838 witnessed the growth of the Abolitionist movement begun by determined visionaries bent on bringing the evils of slavery to the forefront of America's consciousness and ending a glaring injustice. Attacked by their opponents, scorned by both sides for their missionary zeal, often relegated to a footnote in history, the Abolitionists were key in shaping the argument over slavery and bringing America's greatest internal struggle to its conclusion. This examination of the Abolitionist movement presents a year-by-year outline of the period from 1829 to 1838, chronicling the growth of the Abolitionists as a social and political group. By giving an overview of other important occurrences each year, it depicts the movement in a broader context, cementing relationships between seemingly disparate elements of American history and giving the movement its full due in the struggle to end slavery. *The Magazine of American History with Notes and Queries*, 1887 **Slavery and Abolition, 1831-1841** Albert Bushnell Hart, 1907 **Acts of the Anti-slavery Apostles** Parker Pillsbury, 1884 **The American church review** Rev. Henry Mason Baum, 1882 **Macmillan's Magazine**, 1886 The Constitutional and Political History of the United States: 1854-1856. Kansas-Nebraska bill. Buchanan's election. 1885 Hermann Von Holst, 1885 *The World's Great Classics*, 1899 *The American Commonwealth* James Bryce Bryce, 1888 The party system. Public opinion. Illustrations and reflections. Social institutions James Bryce Bryce (Viscount), 1891 The Illustrated American, 1897 **Race, Gender, and Human Identity in a Diverse Society** Chuck Smith, 1998 **A Historical Account of the Neutrality of Great Britain During the American Civil War** Mountague Bernard, 1870

If you ally habit such a referred **The Abolitionist** books that will offer you worth, acquire the agreed best seller from us currently from several preferred authors.
