

A dramatic, low-key photograph. In the background, a woman's face is visible, her mouth slightly open as if in a state of surprise or intense emotion. The lighting is very dark, with her face being the primary light source. In the foreground, several chess pieces are scattered on a wooden surface. The pieces include a large, ornate king, a queen, and several pawns. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of mystery and tension.

THE PERILS OF SANITY PAUL SAYER, 2021-09-09

THE PERILS OF SANITY tells the story of Olivia Rowntree 73 who is approaching the tenth anniversary of her husband Leonard's death. Her GP, an old friend of Leonard's, has referred her for counselling for which she sees no need. But privately Olivia knows that all of her lifelong certainties about love, family, and God seem to be losing their meaning. And when she reaches a critical moment in her faith in herself and humanity, salvation turns up in the unlikely form of a homeless young man. In this powerful novel, award-winning author Paul Sayer offers a rare insight into the heart and mind of a woman nearing the end of her life, calling into question every contemporary presumption about human ageing and the dying of the light.

Our Brief Hours of Play J.S. Cromartie, 2022-06-15

Our Brief Hours of Play is the story of two young people attempting to navigate the unsettled currents of adolescent friendship. Told in the format of two separate journals, the novel begins when Mark, a rather sheltered upper middle class jock, rescues a mysterious classmate of his named Misha from a pool because somehow at 14 she does not know how to swim. In offering to teach her, Mark becomes intrigued by her enigmatic view of life. Her subtle quips add to the mystery. It costs nothing if you've got nothing to lose. Mark longs for their friendship to become something more, but Misha responds, "no please just be my friend. That way I don't lose you." Their friendship blossoms until the fall when they must go their separate ways: he to a private high school, she to a large urban school. Although this puts a strain on any time together, their relationship continues until one day Misha simply disappears. Months later, their paths cross again, but the encounter is stilted and awkward until Mark discovers why. Finding her journal accidentally left in his car, he reads it and learns about the desperate world Misha is a part of, where she has experienced abandonment, eviction, sexual assault, and where even now she is considering suicide. Mark attempts to rescue her again, but the effort this time is far more difficult than diving into a pool. Mark must learn to live with ambiguity and loss, even as Misha seemingly disappears from his life again. Ultimately, the story is about a hard-won hope and the miracle of a friendship that stands the test of time.

On the face of it, the double homicide of Arnold and Marie Robbins looks like just another brutal Miami Beach murder, except that teenage Cathy Robbins is lying between the bodies, traumatised but unharmed.
