Cases and Materials on State and Local Government Law Richard Briffault, Laurie Reynolds, 2004 Includes a wide range of textual material both excerpts from other writings and wide ranging notes written for this book Many areas of emphasis in earlier editions have now become individual courses in many schools such as Land Use and Regulation Constitutional Law and Civil Rights While retaining important material in those areas this casebook expands its coverage of the materials customarily allocated to Local Government Law and emphasizes areas not the focus of separate law school courses Offers the choice in areas of emphasis which meet interest and experience without sacrificing important and necessary basic exposure

Local Government Law Clayton P. Gillette, Lynn A. Baker, 1999 Will provide expanded discussion of federal mandates As timely as tomorrow's headlines STATE AND LOCAL GOVERNMENT LAW Cases Materials Second Edition integrates theoretical materials with government structure institutional competence

Cases and Materials on State and Local Government Law Richard Briffault, Laurie Reynolds, 2009-01-01 The 7th Edition continues earlier editions conceptualization of the role purposes and substance of Local Government Law Early chapters both describe the legal characteristics of the myriad local government units and challenge the students to recognize the competing models of local government that undergird both the classic and recent cases in state and federal court Later chapters take that theoretical understanding to a more practical arena exploring local government powers the state local relationship local government finance and local government service provision The Seventh Edition contains an enhanced treatment of school finance litigation as an emblematic example of interlocal inequality Publisher's website
