Jacques Néré,1975 **A Century of French Painting 1400-1500** Grete Ring,1940 **French Foreign Policy since 1945** Frédéric Bozo,2016-08-01 When Charles de Gaulle declared that it is because we are no longer a great power that we need a grand policy he neatly summarized France's predicament on the world scene In this compact and engaging history author Fr d ric Bozo deftly recounts France's efforts to reconcile its proud history and global ambitions with a realistic appraisal of its capabilities from the aftermath of World War II to the present He provides insightful analysis of the nation's triumphs and setbacks through the years of decolonization Cold War maneuvering and European unification as well as the more contemporary challenges posed by an increasingly multipolar and interconnected world **France in Transition** Business International S.A.,1979 France Stanley Hoffmann,1963 **The Theory of Money in France Since 1945** Émile James,1957 France Since the Second World War Tyler Edward Stovall,2002 Asking how France has managed to preserve and shape her sense of national identity in the intervening years since the war Professor Stovall explores the French postwar recovery and the 30 years of prosperity that followed **Historical Abstracts** Eric H. Boehm,2000 **Income Inequality in France 1901-98** Thomas Piketty,2001 *The Construction of Minority Identities in France and Britain* Gino G. Raymond,Tariq Modood,2007-11-09 Britain and France have divergent attitudes to the issue of minority identities Whilst the British emphasise multiculturalism allowing that it is possible to combine race or faith with a British identity the French view such a combination of religion and nationality as unacceptable However recent events have challenged these traditional approaches to minorities The London bombings of July 2005 and the fact that the perpetrators were British threw into question the assumption that the elevation of difference could lead to community cohesion whilst riots in Birmingham in October 2005 between black and Asian communities further highlighted tensions Similarly French certainties about their proactive attitude to the integration of minorities into a national community unified by common value were profoundly shaken by rioting in urban areas
