

COIN COLLECTING

FOURTH EDITION

As the old saying goes, "Find a penny, pick it up, and all day long you'll have good luck." Now Kenneth Bressett, Editor Emeritus of the *Guide Book of United States Coins* (the *Red Book*) and former president of the American Numismatic Association, has written the definitive reference to finding just how lucky you can be as a coin collector.

From how to get started in the hobby to caring for your collection, with full explanations of grading standards, coin prices, and how to buy and sell, *Coin Collecting: An Introduction to the World of Numismatics* shows everything clearly and with easy-to-follow detail. Squarely aimed at newcomers, this is a guide that covers all the different aspects of coin collecting—and in doing so brings a fun and potentially lucrative hobby home to readers everywhere.
