**Life Lessons From an Old Guy** Gordon Walker, 2026-01-06 Life Lesson If your spouse or a few people are telling you or indicating to you in any way that you have a problem you probably have a problem I really want you to grasp this because it's too easy to just keep reading But if you miss this you miss everything this old guy is trying to help you understand so read it again Spend a few minutes letting the words sink in and really dig into that statement so you fully understand how important this time is for your personal growth If someone were to ask five people who know you well and their answers would remain anonymous to you to divulge what they see as your weakest traits what do you think they would say Oh baby That is such a good question You have weaknesses and you likely know what they are but you haven't really questioned yourself as to why you are the way you are in certain ways This book will help you to take the time necessary to really focus on you It will ask very imposing questions It will help to identify and pull those weaknesses out of their hiding places deep within your soul This book will give you some insight into why you need to make changes and also give you some structured suggestions that will hopefully give you the strength required to become a better happier human being It took me a long time to realize I need fixing even longer to realize nobody else can fix me I came to the realization I couldn't fix someone else It was a big day or many days for me I'll explain those days in this book because they changed my life and enabled me to begin to fix myself The primary reason I decided to write the book is because I thought possibly my learnings will help you decide earlier in your life to make better decisions Life confronts us with a tremendous number of decisions and my hope is that my book will help you realize that you have areas that need fixing Maybe not a lot of fixing but we all have flaws and faults that we know about Only you can change you Old Boy Georgia Tree, 2023-07-04 Her whole life Georgia's father has told her she will be the one to write his story It's a story in which living is just a game of chance why did Grant Tree survive when others didn't Why did he find love and happiness and a grown daughter to spill his story to so that she can record the whole beautiful unlikely mess of it Told in parallel to Grant's story is the life of his friend and dealer Brian Geoffrey Chambers known in the book as Charlie who was ultimately executed in Malaysia for drug smuggling *Once a Week* Eneas Sweetland Dallas, 1867 **Sketches By 'Boz'**. **Illustrative of Every-day Life and Every Day-people [sic]**.
