Old-House Journal ,1995-11 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice *Houses by Mail* Katherine Cole Stevenson,H. Ward Jandl,1995-07-19 It was the American Dream by Mail Order Smithsonian Americans have ordered from Sears Roebuck just about everything they have needed for their homes for 100 years but from 1908 to 1940 some 100 000 people also purchased their houses from this mail order wizard Sears ready to assemble houses were ordered by mail and shipped by rail wherever a boxcar or two could pull in to unload the meticulously precut lumber and all the materials needed to build an exceptionally sturdy and well designed house From Philadelphia Pa to Coldwater Kans and Cowley Wyo Sears put its guarantee on quality bungalows colonials and Cape Cods all with the latest modern conveniences such as indoor plumbing *Houses by Mail* tells the story of these precut houses and provides for the first time an incomparable guide to identifying Sears houses across the country Arranged for easy identification in 15 sections by roof type the book features nearly 450 house models with more than 800 illustrations including drawings of the houses and floor plans Because the Sears houses were built to last thousands remain today to be discovered and restored *Houses by Mail* shows how to return them to their original charm while it documents a highly successful business enterprise that embodied the spirit and domestic design of its time After decades of obscurity Sears houses have become chic Wall Street Journal These were spacious solidly built homes Parade Don t be surprised if your own cozy bungalow turns up in the book Philadelphia Inquirer A nostalgic and informative look at the tastes of Americans in the years before World War II Publishers Weekly The bible to researchers of Sears ready cut homes Saturday Evening Post **The Older House** ,1991 A guide to maintaining and repairing the older home **Design History Beyond the Canon** Jennifer Kaufmann-Buhler,Victoria Rose Pass,Christopher Wilson,2019-02-07 Design History Beyond the Canon subverts hierarchies of taste which have dominated traditional narratives of design history The book explores a diverse selection of objects spaces and media ranging from high design to mass produced and mass marketed objects as well as counter cultural and sub cultural material The authors research highlights the often marginalised role of gender and racial identity in the production and consumption of design the politics which underpins design practice and the role of designed objects as pathways of nostalgia and cultural memory While focused primarily on North American examples from the early 20th century onwards this collection also features essays examining European and Soviet design history as well as the influence of Asia and Africa on Western design practice The book is organised in three thematic sections Consumers Intermediaries and Designers The first section analyses a range of designed objects and spaces through the experiences and perspectives of users The second section considers intermediaries from both technology and cultural industries as well as the

hidden labour within the design process itself The final section focuses on designers from multiple design disciplines including high fashion industrial design interior design graphic design and design history pedagogy The essays in all three sections utilise different research methods and a wide range of theoretical approaches including feminist theory critical race theory spatial theory material culture studies science and technology studies and art history Design History Beyond the Canon brings together the most recent research which stretches beyond the traditional canon and looks to interdisciplinary methodologies to better understand the practice and consumption of design
