On your next road trip take a look at some of the nation's independent craft beer breweries. In this extensive guide you'll find nearly every brewpub, watering hole, beer garden, and taproom in the United States. The listings include the address, phone number, and website for the featured brewery. For those that are my personal favorite or have been recommended to me by close friends I have also included a short description in the listing. Whether you're into IPAs, pilsners, or white ales, there is a brewery for you. In my book *Craft Beer Brewery Guide to All 50 States* I will show you how your next vacation can be made even more enjoyable by visiting a locally owned and operated brewery. These brewpubs and taprooms will provide you with a unique experience you won't soon forget. Beer enthusiasts will delight in the idea of taking a trip just to sample interesting local brews. In my book I will show you where to go and how to travel to make the most of your stay including daily itineraries with travel directions. The states are listed alphabetically but I will show you how to go around the brewery trails geographically within the states. In this book we'll discuss all aspects of enjoying the right pint of beer. When it comes to beer you likely think of people sitting at a bar and drinking from a glass. However, properly serving and tasting beer is so much more than this. First we're going to look at how to properly serve and store beer. Then we'll consider how best to drink beer. In order to properly serve and taste beer, you first need to make sure you have the right glassware. I will show you how to pick the right glassware for serving beer. We will also discuss brewery and taproom beer tasting etiquette. Tasting beer is much more than taking a swig and swallowing it down. When you taste and truly appreciate a good craft beer, you should be able to articulate your experience. With this book you will learn how. This might seem simple but just as you would with wine there is a right way to properly taste your beer. I will also give you an extensive beer style guide to help you determine the differences between craft beers. Another important part of beer tasting is how to properly store your beer before drinking and then how to properly pour it into your selected glass. Beer should be treated just like any other perishable food. In this craft brewery guide you will learn History of Beer in America, How to Serve Beer, Different Types of Glasses for Beer, Pouring and Storing Beer, How to Drink Beer, Beer Taste Ratings, Beer Style Guide, Brewery Etiquette, State Breweries Listed by State, then by Geographic Region within that State, Directional suggested itineraries so you can make the most of your trip, BONUS Glossary of common beer brewing terms. This craft brewery guide to the United States is extensive, comprehensive, and makes a great gift for the beer lover in your life. Be sure to hit Buy Now to add this gem to your collection.
