The Once Future Faith:

Future Faith Churches Don Posterski, Gary Nelson, 1997 How can a church survive into the next millennium That is the question Don Posterski and Gary Nelson asked themselves while researching and writing Future Faith Churches This book shows the way through to the 21st century by examining 14 examples of churches from Pentecostal to mainline liberal that are combining the strands of evangelism social action church growth and strong leadership to create the fabric of their worshipping community

Balthasar Hubmaier's Doctrine of Salvation in Dynamic and Relational Perspective ChangKyu Kim, 2013-08-12 This book aims to explore the meaning of salvation in Balthasar Hubmaier's theology Previous research has tended to explain and evaluate his theology by locating his identity among contemporary Anabaptists Moreover Hubmaier's theology has been variously labeled as Catholic Anabaptist Magisterial Anabaptist or as a bridge between the Radical and Magisterial branches of the Reformation These approaches to Hubmaier's theology essentially depend on a static and transactional perspective where the result comes from the cause Such an approach cannot fully explain the distinctive features of Hubmaier's theology because his theology had multiple rather than single influences To understand Hubmaier's theology we need to focus on his motive and purpose in writing rather than external influences This volume attempts to explore a new understanding of Hubmaier's theology reflecting a necessary change in our paradigmatic methodologies This fresh perspective helps us see that Hubmaier's theology was not static and transactional but dynamic and relational As Hubmaier's main purpose was to give readers a proper understanding of soteriology his writings were written from this perspective concentrating on salvation This volume aims to enable the reader to access this unique understanding of soteriology by examining his primary texts in three categories free will baptism and the Lord's Supper To understand Hubmaier's theology through a new methodology leads us to rethink the meaning of salvation

The Ugli Fruit Dr. Al L. Holloway, 2016-08-20 The Ugli Fruit Tapping the Inner Spirit for Greater Mental Health is a reminder that we are more than our outer layer projections It is also a reminder for therapists that we must minister to the spirit to facilitate good mental health If spiritual development is not considered by client or therapist there is little healing and no fundamental and lasting change No matter our outward reflections no matter our life circumstances we are all made in the image of all mighty God We have a prestigious heritage and birthright that grants us access to the kingdom of God right here on Earth God has not bestowed upon any of us a disturbed mind discord within our families or disharmony within the world God has granted us
