The Orientalists European Painters Of Eastern Scenes:

The Orientalists Philippe Jullian,1977 [Orientalism and Representations of Music in the Nineteenth-Century British Popular Arts](#) Claire Mabilat,2017-07-05 Representations of music were employed to create a wider Orient on the pages stages and walls of nineteenth century Britain This book explores issues of orientalism otherness gender and sexuality that arise in artistic British representations of non European musicians during this time by utilizing recent theories of orientalism and the subsidiary particularly aesthetic and literary theories both on which these theories were based and on which they have been influential The author uses this theoretical framework of orientalism as a form of othering in order to analyse primary source materials and in conjunction with musicological literary and art theories thus explores ways in which ideas of the Other were transformed over time and between different genres and artists Part I The Musical Stage discusses elements of the libretti of popular musical stage works in this period and the occasionally contradictory ways in which racial Others was represented through text and music a particular focus is the depiction of Oriental women and ideas of sexuality Through examination of this collection of libretti the ways in which the writers of these works filter and romanticize the changing intellectual ideas of this era are explored Part II Works of Fiction is a close study of the works of Sir Henry Rider Haggard using other examples of popular fiction by his contemporary writers as contextualizing material with the primary concern being to investigate how music is utilized in popular fiction to represent Other non Europeans and in the creation of orientalized gender constructions Part III Visual Culture is an analysis of images of music and the Orient in examples of British high art illustration and photography investigating how the musical Other was visualized

Hegel's Interpretation of the Religions of the World

Jon Stewart,2018-09-05 In his Lectures on the Philosophy of Religion Hegel treats the religions of the world under the rubric the determinate religion This is a part of his corpus that has traditionally been neglected since scholars have struggled to understand what philosophical work it is supposed to do In Hegel s Interpretation of the Religions of the World Jon Stewart argues that Hegel s rich analyses of Buddhism Hinduism Zoroastrianism Judaism Egyptian and Greek polytheism and the Roman religion are not simply irrelevant historical material as is often thought Instead they play a central role in Hegel s argument for what he regards as the truth of Christianity Hegel believes that the different conceptions of the gods in the world religions are reflections of individual peoples at specific periods in history These conceptions might at first glance appear random and chaotic but there is Hegel claims a discernible logic in them Simultaneously a theory of mythology history and philosophical anthropology Hegel s account of the world religions goes far beyond the field of philosophy of religion The controversial issues surrounding his treatment of the non European religions are still very much with us today and make his account of religion an issue of continued topicality in the academic landscape of the twenty first century [Orientalist Aesthetics](#) Roger Benjamin,2003-02-03 Benjamin s rediscovery of the important Society of French Orientalist Painters provides a critical context for understanding a rich body of work including that of

indigenous Algerian artists whose careers have never before been discussed in English **Strangers in Yemen** David Malkiel,2020-12-16 Strangers in Yemen is a study of travel to Yemen in the nineteenth century by Jews Christians and Muslims The travelers include a missionary artist scientist rabbi merchant adventurer and soldier The focus is on the encounter between people of different cultures and the chapters analyze the travelers accounts to elucidate how strangers and locals perceived each other and how the experiences shaped their perceptions of themselves Cultural encounter is among the most important challenges of our time a time of global migration and instant communication Today as in the past history provides a valuable tool for illuminating the human experience and this scholarly work stimulates us to contemplate the challenge of cultural encounter for it affects us all *Northern European Paintings in the Philadelphia Museum of Art* Philadelphia Museum of Art,Peter C.
