Revelations of a Melchizedek Initiate Joshua David Stone, 1998-10-01 This book traces the author's journey of ascension through the seven levels of initiation through the process of anchoring and activating his fifty chakras expanding to a 99 percent light quotient then on to anchoring and fully activating all twelve bodies which include the five higher bodies Exactly how this is done is shared and in depth information is given on the workings of the inner plane ashram under the guidance of Djwhal Khul Lord Maitreya and Lord Melchizedek You are invited to journey with him as he unfolds the process of his initiations beginning at the sixth moving through the equivalent of the tenth initiation and into the beginning of the eleventh Written as a personal log this book shares in an open and candid manner dreams meditations conversations with the masters spiritual background thoughts and reflections and actual ascension experiences *Cosmic Ascension* Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book Beyond Ascension Joshua David Stone, 1996-12-12 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source Texe Marrs Book of New Age Cults & Religions Texe W.
