## **The Of Luke:**

**The Gospels of Luke and John** ,1828      **The Gospel of Luke as Masterpiece** Nico Riemersma,2023-12-15 This volume offers fifteen studies on the Gospel of Luke by Nico Riemersma who specialized in this gospel It contains both articles in which special pericopes from the Gospel of Luke are central Mary s visit to Elizabeth in Luke 1 39 56 the twelve year old Jesus in the temple in Luke 2 40 52 the baptism of Jesus in 3 21 23 and his testing in 4 1 13 the Fernheilung of a centurion s slave in 7 1 10 and the raising of a young man at Nain in 7 11 17 and studies on details in Luke 1 3 in Luke 2 49 in 7 14 and in 7 19 20 In addition there are thematic studies the parallelism between John and Jesus Elijah in relationship with John and Jesus the travelling motif in Luke Acts and articles with an eye for the structure of the overture 1 5 2 52 and of the whole book 1 1 24 53 Through close reading the book reveals Luke s high quality literary form and rich theological content This meticulous way of reading allows for a deeper understanding of the text giving this gospel extra shine This method is extremely helpful in solving text problems that the reader s will face      *The Gospel of Luke* William Barclay,2001 With a historian s precision Luke s Gospel shows painstaking care both in detail and in expression Of equal distinction is the universal appeal of the Gospel Barclay s insightful comments help each of us to see the infinitude of God s love through Luke s eyes For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives Book cover      **The Gospel of Luke** Joel B. Green,1997-10-02 This highly original commentary part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative      Questions on the Gospel of Luke One of the teachers,1878      *Young Learners' Lesson-book on the Gospel of Luke* Henry George Spaulding,1890      **The Gospel of Luke** I. Howard Marshall,1978-11-14 The Gospel of Luke was written says its author as an historical account of the ministry of Jesus Not only would it serve as the basis for a sound faith on the part of professing Christians but it would also claim a place for Christianity in history Christ s ministry as Luke shows is realized prophecy it is that time during which God s promise of salvation was fulfilled His teachings healing and acts of compassion are all part of the good news In Luke s Gospel Christ s message of salvation is directed to the weak poor and needy with an emphasis on the importance of self denial and of whole hearted discipleship Thus while Luke is the most conscious historian of the Gospel writers his history is a vehicle of theological interpretation in which the significance of Jesus is expressed In this commentary I Howard Marshall calls attention to the theological message of Luke the Evangelist His primary purpose is to exegete the text as it was written by Luke so that the distinctiveness of Luke s Gospel may be seen Basing his commentary on the third edition of The Greek New

Testament Dr Marshall also refers to many variant readings which are significant in this study He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style It is by this meticulous analysis of the Greek that Luke's theological intentions can be objectively determined The Theology of the Gospel of Luke Joel B. Green, 1995-04-20 The Gospel of Luke often mined for information about the life of Jesus is also one of the earliest Christian examples of narrative theology Unlike some writers of New Testament books Luke has engaged in the theological task by shaping a narrative representation of the coming and mission of Jesus In doing so he goes to great lengths to ground the work of Jesus in the continuing story of God's redemptive plan especially witnessed in the Scriptures and he also emphasises the ongoing character of that story with the result that Luke's audience is challenged to discern the purpose of God in order that they may embrace it and order their lives around it This exploration of the way in which Luke accomplishes his theological task in the first century is both informative and illuminating for contemporary readers seeking approaches to cultural criticism and constructive theology today
