## **The Of Origins Genesis Simply Explained:**

**The Book of Origins** Philip H. Eveson, 2015 As its name implies Genesis is a book of origins In it we are told of the origin of the universe the beginnings of the human race and the birth of the Israelite nation But it is more than an early record of origins It is part of God s Word to us what the apostle Paul calls God breathed Scripture Here we are given infallible instruction concerning where we all came from and why things are the way they are The book of Genesis is also crucially important for our understanding of the rest of Scripture It introduces us to the true and living God to the beginnings of sin its consequences and how it has affected the whole created order Publisher      **On Purpose** Argle Smith, 2014-11-20 Whether you are searching for meaning in your life or you want a deeper understanding of Genesis On Purpose has something to offer you Inside On Purpose you will find a comprehensive Bible study of Genesis that does not shy away from life s issues in a format that is both fun and easy to comprehend On Purpose has graphs and study questions to help you along At the end of each chapter you will find Fast Forward Facts that incorporate relevant Scripture from other parts of the Bible On Purpose points you directly to Jesus Christ and how he fulfilled God s promise to us in Genesis You may leave On Purpose with an exhilarating new drive and a fresh focus for your life      **Origin and Nature of Conscience** Pitt G. Knowlton, 1897      **A Commentary on the Holy Scriptures** Johann Peter Lange, 1871      *God Spoke Once, I Heard Twice* Rabbi Dr. Hillel Goldberg, 2024-12-15 Moving from cosmology to creativity to criminology the Torah explores the breadth of human existence ethics and ritual narratives of Patriarchs and Matriarchs history and a philosophy of history all of these drive the first five books of Hebrew Scripture But as Rabbi Hillel Goldberg explains in this probing and insightful commentary these sacred texts are governed by one idea one God God blesses the human being with power and also imposes limits A human being may not kill not commit any sacrilege not act unjustly God retains ultimate power including the prerogative to make ethical ritual and spiritual laws which fill the Torah The Torah is a kaleidoscope and Rabbi Goldberg refracts it through its fifty four prisms its fifty four chapters But a single reality undergirds all one God Rabbi Goldberg s exploration of the diversity of disciplines in the Torah demonstrates how naturally the idea of monotheism emerges In Genesis God chooses one family to carry out His mission in history The book of Exodus narrates God s liberation of this family s descendants in order to bring His mission to fruition Leviticus details the laws by which God s people serve Him through ethics ritual even agriculture Numbers begins with the metahistory of God s people as He sustains it with manna and guides it with a pillar of fire and a pillar of cloud then resumes the history of His people as it wages war and prepares to conquer the promised land Fearful of idolatry there Moses in Deuteronomy concludes his exhortation to remain faithful to the invisible presence of God Bible commentary according to Rabbi Goldberg should mirror the many ways God enters into the human experience Offering philosophic inquiry personal reflection and fresh exegesis plus a touch of poetry humor and storytelling *God Spoke Once I Heard Twice* is a brilliant learned and inspired contribution to an ongoing chronicle of faith      **The**
