The Official Dictionary Of Military Terms:

The Official Dictionary of Military Terms, 1988 *The Official Dictionary of Military Terms* United States. Joint Chiefs of Staff, 1992 **A Dictionary of Military Terms** Edward Samuel Farrow, 1918 [Dictionary of Military Terms](#), 1986 This book provides concise definitions of some 2 500 terms related both to modern military affairs and to military history from ancient times to the present It covers all aspects of military and naval affairs including strategy tactics weapons fortifications organizations ranks and administration This is not a work of lexicography on historical principles it is not strictly speaking an etymological dictionary This Dictionary of Military Terms strictly emphasizes the military meanings and derivations of words and phrases including those that enjoy popular usage Thus the military sense of both widely used and highly technical terms is accurately conveyed Introduction page vi *DOD Dictionary of Military Terms--Website* Department of Defense, **Information Sources of Political Science** Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries **Great War, Total War** Roger Chickering, Stig Förster, 2000-09-11 The First World War was the first large scale industrialized military conflict in the world s history and it gave birth to the concept of total war The essays in this 2000 volume analyse the experience of the war in light of this concept s implications in particular the systematic erosion of distinctions between the military and civilian spheres With an emphasis on developments in Germany France Great Britain and the United States leading scholars from Europe and North America locate the First World War along a trajectory that began in the wars of the middle of the nineteenth century and culminated in worldwide conflict in the middle of the twentieth The essays explore the efforts of soldiers and statesmen industrialists and financiers professionals and civilian activists to adjust to the titanic pervasive pressures that the military stalemate on the western front imposed on belligerent and neutral societies *The Dictionary of Military Terms* Defense, 2009-07-27 This is the comprehensive standardized dictionary of military and associated terminology compiled and used by the Department of Defense Divided into sections The Dictionary of Military Terms contains all definitions approved for DoD and the North Atlantic Treaty Organization NATO use as well as a
