**Sylvester Stallone's Official Rocky Scrapbook** Sylvester Stallone,1977      The Official Rocky Scrapbook Sylvester Stallone,1977      The Last Action Heroes Nick de Semlyen,2024-06-04 The behind the scenes story of the action heroes who ruled 1980s and 90s Hollywood and the beloved films that made them stars including Die Hard First Blood The Terminator and more Entertaining This is a book that makes you ache for the days when the movie screen belonged not to men who dress in superhero capes but to those who lift weights Washington Examiner A NEWSWEEK BEST BOOK OF THE YEAR The Last Action Heroes opens in May 1990 in Cannes with Arnold Schwarzenegger and Sylvester Stallone waltzing together cheered on by a crowd of famous faces After years of bitter combat Stallone once threw a bowl of flowers at Schwarzenegger s head and the body count in Schwarzenegger s Commando was increased so the film would have a bigger dick than Rambo the world s biggest action stars have at last made peace In this wildly entertaining account of the golden age of the action movie Nick de Semlyen charts Stallone and Schwarzenegger s carnage packed journey from enmity to friendship against the backdrop of Reagan s America and the Cold War He also reveals fascinating untold stories of the colorful characters who ascended in their wake high kickers Chuck Norris and Jackie Chan glowering tough guys Dolph Lundgren and Steven Seagal and quipping troublemakers Jean Claude Van Damme and Bruce Willis But as time rolled on the era of the invincible action hero who used muscle martial arts or the perfect weapon to save the day began to fade When Jurassic Park trounced Schwarzenegger s Last Action Hero in 1993 the glory days of these macho men and the vision of masculinity they celebrated were officially over Drawing on candid interviews with the action stars themselves plus their collaborators friends and foes The Last Action Heroes is a no holds barred account of a period in Hollywood history when there were no limits to the heights of fame these men achieved or to the mayhem they wrought on screen and off      *Muscles in the Movies* John D. Fair,David L. Chapman,2020-11-16 John Fair and David Chapman tell the story of how filmmakers use and manipulate the appearance and performances of muscular men and women to enhance the appeal of their productions The authors show how this practice deeply rooted in western epistemological traditions evolved from the art of photography through magic lantern and stage shows into the motion picture industry arguing that the sight of muscles in action induced a higher degree of viewer entertainment From Eugen Sandow to Dwayne The Rock Johnson muscular actors appear capable of performing the miraculous and with the aid of stuntmen and filming contrivances they do By such means muscles are used to perfect the art of illusion inherent in movie making from its earliest days      The Boxing Film Travis Vogan,2020-10-16 As one of popular culture s most popular arenas sports are often the subject of cinematic storytelling But boxing films are special There are more movies about boxing by a healthy margin than any other sport and boxing accompanied and aided the medium s late nineteenth century emergence as a popular mass entertainment Many of cinema s most celebrated directors from Oscar Micheaux to Martin Scorsese made boxing films And while the production of other types of sports movies generally

corresponds with the current popularity of their subject boxing films continue to be made regularly even after the sport has wilted from its once prominent position in the sports hierarchy of the United States From Edison s Leonard Cushing Fight to The Joe Louis Story Rocky and beyond this book explores why boxing has so consistently fascinated cinema and popular media culture by tracing how boxing movies inform the sport s meanings and uses from the late nineteenth century to the early twenty first century *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1979 **My Fathers' Houses** Steven V. Roberts,2009-05-21 From Steven V Roberts comes My Fathers Houses a memoir of growing up in Bayonne New Jersey an immigrant community in the shadow of the Statue of Liberty and the story of how his father and his grandfather s dreams and their own passion for writing and ideas influenced Steven s future and inspired him to seek his fortune in New York City the media capital of the world This is a story of a town and a time and a boy who grew up there a boy who became a New York Times correspondent TV and radio personality and best selling author The town was Bayonne New Jersey a European village so close to New York that Steve could see the Statue of Liberty from his bedroom window The time was the forties and fifties when children of immigrants were striving to become American and find a place in a booming post war world The core of Steve s world was one block where he lived in a house his grandfather Harry Schanbam had built with his own hands But the story starts back in Russia where the family business of writing and ideas began Steve s other grandfather Abraham Rogowsky stole money to become a Zionist pioneer in Palestine before moving to America The tale continues through the Depression when Steve s parents lived one block apart in Bayonne wrote letters to each other and married in secret During the war years Steve s father wrote children s books and based one of his best sellers on outings he took with his twin sons to the local train station As his byline he used his boys middle names Jeffrey Victor so Steve got his first writing credit before he was two The story concludes with the boy leaving Bayonne going on to Harvard meeting the Catholic girl who became his wife and starting work at the New York Times across the river and worlds away from where he began Now a grandfather of five Steve Roberts looks in the mirror and sees his own father and grandfather looking back at him a family chain that started in 19th century Russia and thrives today in 21st century America Philly Sports Ryan Swanson,David K.
