**The Old Gray Homestead - Frances Parkinson Keyes** Frances Parkinson Keyes, 2009-12-09 A passage from the book For Heaven's sake Sally don't say Isn't it hot or Did you ever know such weather for April or Doesn't it seem as if the mud was just as bad as it used to be before we had the State Road again It is hot I never did see such weather The mud is worse if anything I've said all this several times and if you can't think of anything more interesting to talk about I wish you'd keep still Sally Gray pushed back the lock of crinkly brown hair that was always getting in her eyes puckered her lips a little and glanced at her brother Austin without replying but with a slight ripple of concern disturbing her usual calm She was plain and plump and placid as sweet and wholesome as clover and as nerveless as a cow and she secretly envied her brother's lean dark handsomeness but she was conscious of a little pang of regret that the young eager face beside her was already becoming furrowed with lines of discontent and bitterness and that the expression of the fine mouth was rapidly growing more and more hard and sullen

**Old Gray Homestead** Frances Parkinson Keyes, 2004-02-01 The Old Gray Homestead (Classic Reprint) Frances Parkinson Keyes, 2017-11-21 Excerpt from The Old Gray Homestead It's a shame she thought that Austin takes everything so hard The rest Of us don't mind half so much If he could only have a little bit Of encouragement and help something that would make him really happy If he could earn some money or find out that after all money is n't everything or fall in love with some nice girl She checked herself blushing and sighing The blush was occasioned by her own quiet hap

pininess in that direction but the sigh was because Austin though he was well known to have been rather wild never paid any nice girl the slightest attention and jeered cynically at the mere suggestion that he should do so About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
