Jones, 2004-02-09 visit the website at [www.theoldironswing.com](http://www.theoldironswing.com) Chapter 9 Excerpt As Seth lay in the swing mother came around the corner of the house Her faced contained a look of hostility She had been arguing with Sara Beth about some small detail dealing with tomorrow s festivities Yet she was still so beautiful She brought with her two full glasses of sweet tea and two pieces of apple pie The pie was still warm and it melted slowly in our mouths Aunt Ellen could make the best apple pies The quiet evening air began to creep into the backyard The crickets were beginning to stir and the melodies of the noise filled the air A light turned on in the house and Shelby and Joshua motioned for mother to come back inside As she walked away Seth took his position again and I began to pull the grass with my toes As I sat in the grass I watched Seth dither in the iron swing It was in that moment that I saw Seth for whom he really was The crickets and other night creatures were the only noise that reverberated through the darkness We both sat quietly for several moments I was unsure what was traveling through his mind Seth was an amazing man He was the only man that I knew who had rejected the dogma of the Baptist church and most other churches To him it was unnecessary to attend church every week and to worship someone who really does not want to be worshipped In his psyche and in many discourses he was god He was connected to God in every manner and did not see the purpose of worshipping himself Several years ago he had realized that his spirit was not released into this realm to be rejected and punished to hell There was no hell and eternal separation from someone to whom he would always be connected It was all a game She he or it was simply floating through the atmosphere laughing at the ways in which mankind destroyed themselves To the Supreme Being Seth was a part of humanity and a part of the eternity Eternity was forever and what took place on this terrestrial ground really meant nothing Millions had died in the Holocaust yet they all returned to the spirit realm to become complete again It did not matter how good or bad one lived because there was no judgement Thus the idea of eternity out weighed the horrible years in a concentration camp Seth knew that he would return to his previous home once again connected to the creator Christ was the perfect example of Seth s theology He was a man who knew the truth upon entering the world He accepted that truth when others could not thus he was killed Christ was like all humanity After death perhaps Seth too would be levitating through the world laughing at all of the people Laughing because most people never come to the truth They spend hundreds of hours living in fear of judgement and hell Millions of people try to obey the religious bigots of the world and all along they too are connected to the creator In simple terms they too are a part of God There were so many differences betwixt the two of us yet I found something peaceful in his life He possessed a tranquility that at times was inconceivable We would spend hours arguing about the validity of Faulkner s Noble Prize On many long summer days we would pass the hours playing golf at the country club or playing tennis on some deserted court It was during those times that we would discuss literature and religion Although I had forsaken some of my childhood teachings I still believed in the main premises that surround my faith He was never critical of my own

personal beliefs but he hoped that one day I too would discover the same truth that had delivered him But what if he was wrong What if hell really did exist If eternal separation from God was a reality then his truth was a lie He was quiet for sometime The evening breeze captured my spine once again It was as if we were children again sitting in the darkness only seeing the porch light a

**Streets of Fire** Thomas H. Cook,2011-09-06 At the height of the Civil Rights movement a young girl s murder stirs racial tensions in Birmingham Alabama The grave on the football field is shallow and easy to spot from a distance It would have been found sooner had most of the residents in the black half of Birmingham not been downtown marching singing and being arrested alongside Martin Luther King Jr Police detective Ben Wellman is among them when he gets the call about the fresh grave Under the loosely packed dirt he finds a young black girl her innocence taken and her life along with it His sergeant orders Wellman to investigate but instructs him not to try too hard In the summer of 1963 Birmingham is tense enough without a manhunt for the killers of a black child Wellman digs for the truth in spite of skepticism from the black community and scorn from his fellow officers What he finds is a secret that men from both sides of town would prefer stayed buried

Cheboygan Matthew J. Friday,2008 In the fall of 1844 an entrepreneur named Alexander McLeod made his way up a shallow river in far northern Michigan with the idea of building a lumber mill He discovered that the region around the Cheboygan River would be a suitable location McLeod built a small cabin for himself and the following spring the first permanent settler Jacob Sammons arrived McLeod s employees and other businessmen followed with their families The settlers improved the river and Cheboygan became a booming lumber town Along with the growth came grocers bankers saloonkeepers laborers doctors and other pioneers Colorful characters and beautiful buildings graced Cheboygan s bustling downtown When the lumber ran out and the mills closed residents sought a new identity Tourism and industry led the way and Cheboygan is enjoyed throughout the year This collection of images of Cheboygan and the surrounding area highlights its birth and growth from boomtown to vacation destination
