## The Old Stag:

BAMBI FELIX SALTEN,2024-01-22 BAMBI is a delicious book For delicacy of perception and essential truth I hardly know any story of animals that can stand beside this life study of a forest deer Felix Salten is a poet He feels nature deeply and he loves animals I do not as a rule like the method which places human words in the mouths of dumb creatures and it is the triumph of this book that behind the conversation one feels the real sensations of the creatures who speak Clear and illuminating and in places very moving it is a little masterpiece I read it in galley proof on the way from Paris to Calais before a channel crossing As I finished each sheet I handed it to my wife who read and handed it to my nephew s wife who read and handed it to my nephew For three hours the four of us read thus in silent absorption Those who know what it is to read books in galley proof and have experienced channel crossings will realize that few books will stand such a test BAMBI is one of them I particularly recommend it to sportsmen March 16th 1928 John Galsworthy Stag Robert Stanley Hall,2016-06-14 This is about an Ex police Inspector L Stag who with his Jamacon partner Mo runs a private detective agency they investigate Black Magic Mysteries and child abduction cases which become very personal at times this book is for adult readers only

*Tending the Heart of Virtue: How Classic Stories Awaken a Childs Moral Imagination* Vigen Guroian,2002-01-14 As the popularity of William Bennetts Book of Virtues attests parents are turning more and more to childrens literature to help instill values in their kids Now in this elegantly written and passionate book Vigen Guroian provides the perfect complement to books such as Bennetts offering parents and teachers a much needed roadmap to some of our finest childrens stories Guroian illuminates the complex ways in which fairy tales and fantasies educate the moral imagination from earliest childhood Examining a wide range of stories from Pinocchio and The Little Mermaid to Charlottes Web The Velveteen Rabbit The Wind in the Willows and the Chronicles of Narnia he argues that these tales capture the meaning of morality through vivid depictions of the struggle between good and evil in which characters must make difficult choices between right and wrong or heroes and villains contest the very fate of imaginary worlds Character and the virtues are depicted compellingly in these stories the virtues glimmer as if in a looking glass and wickedness and deception are unmasked of their pretensions to goodness and truth We are made to face the unvarnished truth about ourselves and what kind of people we want to be Throughout Guroian highlights the classical moral virtues such as courage goodness and honesty especially as they are understood in traditional Christianity At the same time he so persuasively evokes the enduring charm of these familiar works that many readers will be inspired to reread their favorites and explore those they may have missed Shooting's Strangest Days Tom Quinn,2015-07-30 Mad old colonels who took their trousers off before going elephant hunting women poachers with terriers sewn into their underskirts duck shooters chasing their quarry in helicopters here they all in their vast and until now long forgotten eccentricity Shooting s Strangest Days is a unique collection of stories about the mad the bad and the truly dangerous to know from more than two hundred years of sporting shooting Covering everything from delightfully dotty
