The O'Rourkes An Toiseach The Beginning:

The History of the Irish Famine Christine Kinealy, Jason King, Gerard Moran, 2020-06-04 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government's culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 The narratives of those who perished those who survived and those who emigrated form an integral part of this history and these volumes will make available for the first time some of the original documentation relating to an event that changed not only Irish history but the history of the countries to which the emigrants fled Britain the United States Canada and Australia By bringing together letters government reports diaries official documents pamphlets newspaper articles sermons eye witness testimonies poems and novels these volumes will provide a fresh way of understanding Irish history in general and famine and migration in particular Comprehensive editorial apparatus and annotation of the original texts are included along with bibliographies appendices chronologies and indexes that point the way for further study

Hell at the Gates: John Lee, Daniel McConnell, 2016-10-14 On 28 November 2010 the Irish government infamously agreed to a bailout from the Troika to save Ireland's failing economy This decision had huge and long lasting social implications for Ireland and her people and led to the annihilation of Fianna Fáil and its allies in the 2011 general election In Hell at the Gates Brian Cowen the late Brian Lenihan Eamon Ryan Micheál Martin Mary Harney and many others recount for the first time in their own words the inside story behind the actions of the most hated government in living memory The result is a deeply honest intensely personal and revelation strewn account of their experiences in the white heat of an economic meltdown It reveals the extent to which Cowen and Lenihan's relationship disintegrated how members of the government were physically attacked by the public and also gives the definitive account by Micheál Martin himself of why he chose in early 2011 to move against his embattled leader As Mary O'Rourke said of those days There was drama tragedy pathos comedy farce love and death It was like a Shakespearean drama John Lee and Daniel McConnell have interviewed the people who were at the coalface of this drama to produce a gripping account of those fateful days in and around Leinster House

Michael O'Leary Alan Ruddock, 2008-03-27 Michael O'Leary is a business giant He transformed Ryanair from a loss making joke of an Irish carrier into one of the most valuable airlines in the world and in the process he has revolutionized the very nature of commercial aviation In this the first biography of O'Leary Alan Ruddock portrays the man in three dimensions and examines the business miracle often talked about but poorly understood that O'Leary has wrought Ruddock's fast paced retelling of Ryanair's rise and rise confirms O'Leary's insistence that his success has little to do with

the management maxims of business gurus and everything to do with graft and ruthless attention to detail Observer Probably the definitive Ryanair story a good read Sunday Independent The fullest and most accurate picture of O Leary to date Irish Daily Mail Unlike previous books which simply chart the growth of the airline this one is bound to get under O Leary s skin because it reveals a great deal about his hugely driven character Irish Independent Ruddock is good on the flavour of the man a bundle of energy whose two favourite words start with an F and an S they aren t flower and sugar Irish Examiner
