

When The Shoe Is On The Other Foot

Grandma always said, 'Child when the shoe is on the other foot it pinches, that's how you to know if you're putting them on right. and that 's how you know when it's your trouble and not some body else's.'

Well, I understood what she meant about the shoe pinching when it was on the wrong foot because my feet would hurt every time I put them on as a little girl 3 or 4 years old, and besides that, my feet always pointed the wrong way. Grandma would say 'Grin and bare it or learn how to walk through life wearing the right shoe on the right foot and when you get tired of your feet hurting you'll learn, yes you'll learn.'
