Based on Sidney Sheldon's sensational bestseller, this sumptuous film spans two continents and four decades.

Producer Frank Yablans (*Silver Scream*) gathered an international cast — Marie-France Pisier (Colette, *Comme*), John Beck, Susan Sarandon — and spared no expense to bring this grand, glamorous tale to the screen. Pisier is the once innocent French girl who falls in love with a cavalier World War II hero (Beck) and then dedicates her life to revenge when he deserts her after a preening marriage. This searing romantic

drama follows the intense passions, loves and hates which culminate in a deadly, destructive web of intrigues and deceptions.

"Sensational! Tempting! The characters are larger than life, larger than dreams, larger than desires."

— Roger Ebert
Chicago Sun-Times

"This is movie fiction of the sort that becomes immensely popular because it satisfies the people who want to believe it."

— William Canby
New York Times

"I liked this film. It's a potboiler that really boils, quite often with good fun. John Beck puts the spice in the relationships — being a cad without being campy."

— Gene Siskel
Chicago Tribune

"Marie-France Pisier is exquisite . . . it's an opulent film, decadent as if it were great literature."

— William Wolf
Can.
