The Other Side of Language Gemma Corradi Fiumara,2013-08-21

First published in 1990 Our philosophy is grounded in only half a language in which the power of discourse is deployed and the strength of listening ignored We are inhabitants of a culture that knows how to speak but not how to listen so we constantly mistake warring monologues for genuine dialogue In this remarkable book Gemma Corradi Fiumara seeks to redress that

balance by examining the other side of language listening Synthesising the insights of Wittgenstein Heidegger and Gadamer among many others she puts forward a powerful argument for the replacement of the silent silence of traditional Western thought with the rich openness of an authentic listening *The Other Side of the Ocean* J.D. Netto,2025-06-17 Inspired by true events a thoughtful timely and emotionally compelling story about coming of age coming out and coming into your own So much of who I was had to be hidden I wondered how it would feel to let that part of me be on full display Maybe I d be given the chance to feel To forget Or even to breathe For most sixteen year olds life is all about friends fun and family But for Matt Franco it s different Because Matt and his family are undocumented immigrants like many other Brazilian emigres in his town And that means he can t get a job he can t get a driver s license and as for college Get real But Matt is also carrying a burden much closer to his own heart Matt is gay And right now he s the only one who knows it But that changes when handsome kind eyed and charming transfer student James Alberte walks into class Because James isn t just some queer teen crush He s everything Matt could ask for and it s James love strength and support that helps Matt finally come out to the world Unfortunately love doesn t necessarily make Matt s situation any easier He s still stranded by his immigrant status with a future that seems headed for a dead end And if he s ever going to be happy Matt will have to decide what he wants where he s headed and who he is at heart It won t be simple And it certainly won t be easy But when it comes to life love and everything in between what is The author of The Whispers of the Fallen and Henderbell series offers a moving heartfelt story perfect for fans of Adam Silvera s More Happy Than Not Praise for The Other Side of the Ocean This novel is brilliantly executed threaded through with linguistic gems and deeply rooted in both Brazilian culture and the mind of a teenage boy Heartfelt and authentically grounded a must read Kirkus Starred Review Drawing from events in his own life Netto infuses the narrative with heartbreakingly realness While primarily a romance this novel s observations on immigration and citizenship seem more relevant and realistic with each passing day Recommend to readers searching for realistic LGBTQ romance novels and fans of Jenny Torres Sanchez s We Are Not From Here 2020 Booklist Starred Review J D Netto s timely and illuminating story captures the longing joy and heartache of being young an immigrant undocumented queer and in love Alex Sanchez LAMBDA Award winning author of Rainbow Boys and You Brought Me the Ocean A deeply moving story that sheds light on the reality of so many undocumented teenagers in America Sasha Alsberg 1 NYT Bestselling Author of The Andromeda Saga and Breaking Time duology **The Other Side of the Door** Jill Vance,2014-08-20 The Other Side of the Door is a collection of short stories with a twist in the tale The stories take you on a journey of discovery and although they do appear to offer hints as to the outcome readers are kept guessing right up to the end That is when you are hit with a surprise that is rarely anything you could imagine The narratives range from present day to past times and the stories involve places crimes speculative fiction and many more interesting and varied subjects They all have one thing in common an ending that is not what readers would expect What lies in wait on the other side of the door only the author knows for now **The Other Side**
