**The Legend of Jesse Smoke** Robert Bausch, 2016-08-30 When Skip Granger the assistant coach for the Washington Redskins first sees Jesse Smoke she is on the beach in Belize And she has just thrown a regulation football a mile Granger knows that Smoke s talent is unprecedented for a woman and nearly unparalleled among men As Granger observes her throughout a season as quarterback for the Washington Divas of the Independent Women s Football League he decides to sign her to the Redskins even as he faces losing his job and credibility As the first woman on a major NFL team Jesse Smoke s astounding success places her in the tradition of athletes like Jackie Robinson and Joe Louis Yet Smoke is quickly faced with her own battles including the clamors of the press the violence of her teammates and the institutional resistance that seeks to keep football in the hands of men While a female quarterback in the NFL is a fantasy at the moment Robert Bausch s genius as a writer makes it a highly engaging reality on the page Fans of football and readers who were just waiting for a player worth getting excited about will relish Jesse Smoke s journey to the big leagues

**The Many Faces of Jesse James** Phillip W. Steele, George Warfel, 2022-12-21 Not only does this new book record a factual story of my great grandfather Jesse James in print but also helps the reader get to know Jesse s true personality and appearance A great contribution toward separating facts from folklore and provides a guide for any future photo identification work James R Ross Superior Court Judge of the State of California great grandson of Jesse James A name well known to most Americans Jesse James was a veteran of the Civil War a bankrobber and a very romanticized popular hero Although James has been the subject of countless biographies and historical novels as well as the theatre and cinema new light can still be shed on his life In *The Many Faces of Jesse James* author the late Phillip W Steele with George Warfel presented a fascinating study of James life using his many portraits as a frame of reference Steele took each documented photograph of James and examined it closely showing how the dress demeanor and physical well being of James relate to what scholars believe him to have been doing at the time Since the possibility of more actual portraits and photographs of James exists Steele explained the process George Warfel has devised to accurately identify Jesse James even including a group of false photos of James to illustrate his point Fans of James Younger gang lore will appreciate this fresh yet practical approach to understanding this enigmatic historical figure Readers for whom Jesse James is only a name will no doubt become more knowledgeable about the complex circumstances that led the outlaw to lead the life he did
