

The Of Kimono

M Walker

The Of Kimono:

The Social Life of Kimono Sheila Cliffe, 2017-03-23 The kimono is an iconic garment with a history as rich and colourful as the textiles from which it is crafted Deeply associated with Japanese culture both past and present it has often been thought of as a highly gendered rigidly traditional and unchanging national costume This book challenges that perception revealing the nuanced meanings and messages behind the kimono from the point of view of its wearers and producers many of whom both men and women see the garment as a vehicle for self expression Taking a material culture approach The Social Life of Kimono is the first study to combine the history of the kimono as a fashionable garment with an in depth exploration of its multifaceted role today on both the street and the catwalk Through case studies covering historical advertising campaigns fashion magazines interviews with contemporary kimono designers large scale and small craft producers and consumers who choose to wear them The Social Life of Kimono gives a unique insight into making and meaning of this complex garment

Kimono John Paris, 1922 The marriage of Captain the Honourable Geoffrey Barrington and Miss Asako Fujinami was an outstanding event in the season of 1913 It was bizarre it was picturesque it was charming it was socially and politically important it was everything that could appeal to the taste of London society which as the season advances is apt to become jaded by the monotonous process of Hymen in High Life and by the continued demand for costly wedding presents

Kimono John Paris (pseud.), 1922 **The Book of Kimono** Norio Yamanaka, 1982 From gorgeous bridal kimono to kimono in subdued designs and quiet colors for everyday wear the intriguing aspect of the kimono is that it always seems so correct Textiles carefully crafted by traditional and modern methods many now world famous contribute to this sense of correctness as does the widely admired sense of color and design Of no less importance is the way the kimono is worn This book makes available for the first time the basic knowledge and vocabulary of how to select and put on the kimono and obi even by oneself Whether for women or men all kimono are cut and sewn essentially from a single pattern but a number of variations must be considered depending on the occasion Guidelines are given to making these choices and the way to dress in a kimono from preliminaries to tying the bustle sash is described in detail and fully illustrated For women there are formal kimono obi and accessories and the lightweight summer yukata for men the yukata and the ceremonial ensemble of kimono haori coat and hakama skirt Children s kimono for festive events are also described Kimono fashions have evolved over the centuries in response to varied influences Today modern innovations are making the wearing of kimono at home and away from home an attractive and practical alternative to western garments These are included along with a discussion of aesthetics the history of the kimono and the meaning kimono culture can have for wearers and admirers throughout the world *Intersect*, 1989 *Fashioning Kimono* Annie M. van Assche, 2005 Published to accompany the exhibition held at the Victorian and Albert Museum London 13 October 2005 1 May 2006 **Japanese Wedding Packages as Aesthetic Expression Among Elite Brides of Osaka** Masami Suga, 1996 **A Study of the Expression of Traditional Japanese**

Culture Through Selected Social Rituals as Revealed in Popular Novels Midori Yamanouchi Banks,1973 *Nippon Today and Tomorrow* ,1927 Nos 1 include section Books on Japan Pink Samurai Nicholas Bornoff,1991 This extraordinary book reveals the exotic realm of the Water Trade a world of bars and brothels love hotels baths and massage parlors theaters and strip shows and takes American readers on their first tour of Japan s sexual mores and practices 8 page insert
