Prichard, 2018-09-17 Essays from academics across a spectrum of perspectives The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention

While the individual chapters of this volume raise a variety of differing issues they share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars The hope of this volume is to open a conversation across the church that will continue in the future Lent Esau McCaulley,2022-11-08 Lent is inescapably about repenting We often experience the Lenten fast as either a mindless ritual or self improvement program In this short volume priest and scholar Esau McCaulley introduces the season of Lent showing us how its prayers and rituals point us not just to our own sinfulness but also beyond it to our merciful Savior Cohabitating Couples and Cold Feet Robert W. Prichard,2009-01-01 Clergy today are faced with a profound shift in American attitudes about marriage that affects the role they play with each couple Our society at large today has strikingly different attitudes from those of just fifty years ago Couples today are more likely to have cohabited before marriage more likely to have children born out of wedlock more likely to be married outside of the church and more likely to be previously divorced than were their counterparts of the mid 20th century This new pastoral resource grounded in real life examples will be an important new pastoral tool for clergy and seminarians in the Episcopal Church and other mainline Protestant churches It is organized chronologically beginning with how to engage the couple making a first time contact with a member of the clergy It next unpacks the marriage rite itself within contemporary and traditional viewpoints Finally the book addresses the critically important application of long term support for the couple throughout their married lives **The Book of Occasional Services 2003 Edition** Church Publishing,2000 This edition includes the liturgies for Discernment for a New Church Mission A Liturgy for Commissioning a Church Planter Missioner or Mission Team A Liturgy for the Opening of a New Congregation Setting Apart Secular Space for Sacred Use a new Litany for the Mission of the Church and a variety of Church Planting collects blessings and other prayers and hymn suggestions This material authorized by the 2003 General Convention is published in English Spanish and French
