## **The Only Emperor:**

**Enigma of the Emperors** Ben-Ami Shillony,2021-10-01 This important new and original study on the institution of the Japanese emperors from their mythological beginnings to the present day focuses on the enigma of the institution itself namely the extraordinary continuity of the Japanese dynasty which is unknown anywhere else in the world yet which is now at risk on account of more recent laws of succession The prisms through which this remarkable achievement is examined are the notions of divinity gender and subservience The volume is divided into nine sections Strange Survival The Feminine Beginnings of the Japanese Monarchy Empresses and Consorts Subservience as Power Rising Fortunes in an Era of Peace Meiji the National Father Figure The Elusive Divinity of the Modern Emperors Return to Sacred Subservience Continuity in Danger Based on earlier research first published in Japanese Haha Naru Tenno Enigma of the Emperors adds significantly to the existing corpus of work on this subject addressing many traditional preconceptions and misconceptions along the way Accordingly it will undoubtedly be welcomed within scholarly circles as well as being of particular interest to a wider readership not least because of its relevance in the context of the major contemporary issues surrounding the future of the dynasty in the twenty first century

**The Emperor Domitian** Brian Jones,2002-09-11 Domitian Emperor of Rome AD 81 96 has traditionally been portrayed as a tyrant and his later years on the throne as a reign of terror Brian Jones biography of the emperor the first ever in English offers a more balanced interpretation of the life of Domitian arguing that his foreign policy was realistic his economic programme rigorously efficient and his supposed persecution of the early Christians non existent Central to an understanding of the emperor s policies Brian Jones proposes is his relationship with his court rather than with the senate Roamn historians will have to take account of this new biography which in part represents a rehabilitation of Domitian

**My Emperor's New Clothes** Larry Shue,1985 THE STORY Everyone is familiar with the timeless story by Hans Christian Andersen but the present version abounds in delightful differences The action now takes place in the mythical kingdom of Mango Chutney which has a parade every day a one

**History of the Consulate and the Empire of France Under Napoleon** Adolphe Thiers,1893

**Star Wars** Kieron Gillen,2024-11-27 Collects Darth Vader 2015 1 12 1 Director s Cut and Annual 1 One of the greatest antagonists in all of fiction stars in his first ever Marvel comic book Fresh from a stinging defeat at the hands of the Rebel Alliance Darth Vader must rise again to reassert the Empire s iron grip on the galaxy But will his personal desire for vengeance against the young Jedi who destroyed the Death Star distract from Vader s duty to the Emperor As a fateful quest begins the Dark Lord of the Sith will face a fresh threat to his power And as other villains old and new play their parts from Boba Fett and Jabba the Hutt to diabolical debutant Doctor Aphra as well as the killer droids Triple Zero and Beetee One how long will it be until Vader s dangerous alliances blow up in his face Join Darth Vader and feel the power of the dark side

**Revelation** Craig S. Keener,2009-09-13 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context What can we know

about the book of Revelation What should we make of its visions of apocalyptic horsemen horns with faces flying angels and fantastic beasts Most important what meaning does it hold for us here and now and how can we apply it to our lives Craig S Keener shares perspectives on Revelation and helps us strengthen our hope in the future while living out our faith wisely in the present To bring the ancient messages of the Bible into today s context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

**The Only Emperor** Robert Greacen,1994    **The Eagle and the Lion** Adrian Goldsworthy,2023-07-06 The epic story of the imperial rivalry between two of the greatest empires of the ancient world Parthian and Persian and how they rose and eventually fell The Roman empire shaped the culture of the western world against which all other great powers are compared Stretching from the north of Britain to the Sahara and from the Atlantic coast to the Euphrates it imposed peace and prosperity on an unprecedented scale However the exception lay in the east where the Parthian and then Persian empires ruled over great cities and the trade routes to mysterious lands beyond This was the place Alexander the Great had swept through creating a dream of glory and conquest which tantalised Greeks and Romans alike Caesar Mark Antony and a long succession of emperors longed to follow in Alexander s footsteps All failed Only here did the Roman empire slow down and eventually stop unable to go any further Following seven centuries of conflict that ultimately neither Rome nor Persia would win The Eagle and the Lion delves into the clash context and journeys of these entities of great power and the people caught in their wider struggle    *Roman Political Culture* Laurens E. Tacoma,2020-03-04 This volume offers an innovative analysis of Roman political culture in Italy from the first to the sixth century AD on the basis of seven case studies Its main contention is that during the period in which Italy was subject to single rule political culture took on a specific form being the product of the continued existence of two traditional political institutions the senate in the city of Rome and the local city councils in the rest of Italy Under single rule the position of both institutions was increasingly weakened and they became part of a much wider institutional landscape although the fact that they continued to function until the end of the sixth century AD must imply that they retained meaning for their members even while society as a whole was undergoing radical changes As their powers and prerogatives shrank considerably their significance became social rather than political as they allowed elites to enact and negotiate their own position in society However the tension between the participatory nature of

these institutions and the restriction of their power generated complex social dynamics on the one hand participants became locked in mutual expectations about each other's behaviour and were compelled to enact particular social roles while on the other hand they retained a degree of agency. They were encapsulated in an honorific language and in a set of conventions that regulated their behaviour but that at the same time offered them room for manoeuvre. This degree of autonomy provides a compelling basis on which to challenge the prevailing view among historians that deliberative and participatory politics effectively ended with the institution of the Roman monarchy under Augustus. **The Mikado's Empire** William Elliot Griffis, 1877. **The Spectator**, 1879.
