The Ordeal Poems Of Anguish Resistance And Hope:

The Ordeal, 1977 *Critical Perspectives on Dennis Brutus* Craig W. McLuckie, Patrick J. Colbert, 1995 Poet activist teacher and scholar Dennis Brutus is an influential figure in African literature Exploring his life and writings this volume looks at Brutus's childhood university days his arrest and imprisonment and his eventual return to South Africa in 1991

The Columbia Guide to South African Literature in English Since 1945 Gareth Cornwell, Dirk Kloppe, Craig Mackenzie, 2010-04-13 From the outset South Africa's history has been marked by division and conflict along racial and ethnic lines From 1948 until 1994 this division was formalized in the National Party's policy of apartheid Because apartheid intruded on every aspect of private and public life South African literature was preoccupied with the politics of race and social engineering Since the release from prison of Nelson Mandela in 1990 South Africa has been a new nation in the making inspired by a nonracial idealism yet beset by poverty and violence South African writers have responded in various ways to Njabulo Ndebele's call to rediscover the ordinary The result has been a kaleidoscope of texts in which evolving cultural forms and modes of identity are rearticulated and explored An invaluable guide for general readers as well as scholars of African literary history this comprehensive text celebrates the multiple traditions and exciting future of the South African voice Although the South African Constitution of 1994 recognizes no fewer than eleven official languages English has remained the country's literary lingua franca This book offers a narrative overview of South African literary production in English from 1945 to the postapartheid present An introduction identifies the most interesting and noteworthy writing from the period Alphabetical entries provide accurate and objective information on genres and writers An appendix lists essential authors published before 1945 Drawings for a Text Kamal Boullata, 1982 The Palestinian Wedding Abdelwahab M. Elmessiri, 1982 Perspectives on Palestinian Arabs and Israeli Jews James J. Zogby, 1977 *Book Publishers Directory*, 1981 **The Arab World** Hassan S. Haddad, 1978 Admitting the Holocaust Lawrence L. Langer, 1996-06-20 In the face of the Holocaust writes Lawrence L. Langer our age clings to the stable relics of faded eras as if ideas like natural innocence innate dignity the inviolable spirit and the triumph of art over reality were immured in some kind of immortal shrine immune to the ravages of history and time But these ideas have been ravaged and in *Admitting the Holocaust* Langer presents a series of essays that represent his effort over nearly a decade to wrestle with this rupture in human values and to see the Holocaust as it really was His vision is necessarily dark but he does not see the Holocaust as a warrant for futility or as a witness to the death of hope It is a summons to reconsider our values and rethink what it means to be a human being These penetrating and often gripping essays cover a wide range of issues from the Holocaust's relation to time and memory to its portrayal in literature to its use and abuse by culture to its role in reshaping our sense of history's legacy In many Langer examines the ways in which accounts of the Holocaust in history literature film and theology have extended and sometimes limited our insight into an event that is often said to defy understanding itself He singles out Cynthia Ozick as one of the few

American writers who can meet the challenge of imagining mass murder without flinching and who can distinguish between myth and truth On the other hand he finds Bernard Malamud s literary treatment of the Holocaust never entirely successful it seems to have been a threat to Malamud s vision of man s basic dignity and he argues that William Styron s portrayal of the commandant of Auschwitz in *Sophie s Choice* pushed Nazi violence to the periphery of the novel where it disturbed neither the author nor his readers He is especially acute in his discussion of the language used to describe the Holocaust arguing that much of it is used to console rather than to confront He notes that when we speak of the survivor instead of the victim of martyrdom instead of murder regard being gassed as dying with dignity or evoke the redemptive rather than greivous power of memory we draw on an arsenal of words that tends to build verbal fences between what we are mentally willing or able to face and the harrowing reality of the camps and ghettos A respected Holocaust scholar and author of *Holocaust Testimonies The Ruins of Memory* winner of the 1991 National Book Critics Circle Award for criticism Langer offers a view of this catastrophe that is candid and disturbing and yet hopeful in its belief that the testimony of witnesses in diaries journals memoirs and on videotape and the unflinching imagination of literary artists can still offer us access to one of the darkest episodes in the twentieth century

Selected Poems Nancy Cunard, 2017-08-15 *Selected Poems* gathers writing from four decades of Nancy Cunard s life some published here for the first time The selection illuminates Cunard s transnational modernist project in full from her early years as a coterie poet on the edges of Bloomsbury and avant garde London to her frontline activism during the Spanish Civil War and life long fight against fascism in Europe and America to her final years documented in poems written from hospitals and sanatoriums Among the poems is Cunard s longer psychogeographical work *Parallax* published originally by the Hogarth Press a response in part to T S Eliot s *The Waste Land* Through her introduction and notes editor Sandeep Parmar frames Cunard s complex legacy as a poet publisher and activist A contribution to the wider feminist revision of modernism this volume draws attention to Cunard s extraordinary prismatic oeuvre shaped by some of the twentieth century s most dramatic events One of the major phenomena of history William Carlos Williams A bold heroine of the battle against the inexpressible Ram n J Sender
