

The Original Jesus

Otto Borchert

The Original Jesus:

The Original Jesus N. T. Wright, 1997 Nearly 2000 years after his execution by the Romans the enigmatic figure of Jesus Christ remains the subject of intense historical investigation Theories about the significance of his life and vision continue to abound as scholars of all religious persuasions try to make sense of the latest archaeological findings and the light they throw on the period in which he lived

The Original Jesus Otto Borchert, 2004 The man who invented it would be more astonished than its hero The author quotes these words from Rousseau as an indication of his purpose which is to make credible the portrait of Jesus as it is presented to us in the Gospels In this classic work Borchert presents a living portrait of Jesus as found in the Gospels eloquently countering the criticism and scepticism surrounding his life Both Jesus critics and those who testify to the beauty of Jesus life agree on his uniqueness for he defies all the categories of humanity Borchert considers Jesus relationship with God mankind the natural world and the miracles and examines the reactions to the person of Jesus throughout history To see Jesus as the Gospels portray him is to be confronted with the challenge to accept him as the human manifestation of the Father We cannot make any mistake about God after we have known Jesus

The Original Jesus Nicholas Thomas Wright, 1996

Will the Real Jesus Please Stand Up! Robert McClelland, 2014-10-28 In a world where the God hypothesis is no longer necessary todays Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Todays world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that Gods attitude is toward us While the Good News proposed by Christian Faith is that Gods attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Pauls understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of todays Seeker Jesus not only died for our sins he died for Gods Sin as well Our Sin was our disobedience Gods Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christs life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by todays Church Paul sees Gods Grace as much more amazing than mere payment for our peccadilloes

The Original Jesus Tom Wright, 2005

The Origin of Heresy Robert M. Royalty, 2013-05-07 Heresy is a central concept in the formation of Orthodox Christianity Where does this notion come from This book traces the construction of the idea of heresy in the rhetoric of ideological disagreements in Second Temple Jewish and early Christian texts and in the development of the polemical rhetoric against heretics called heresiology Here author Robert Royalty argues one finds the origin of what comes to be labelled heresy in the second century In other words there was such a thing as heresy in ancient Jewish and Christian

discourse before it was called heresy And by the end of the first century the notion of heresy was integral to the political positioning of the early orthodox Christian party within the Roman Empire and the range of other Christian communities This book is an original contribution to the field of Early Christian studies Recent treatments of the origins of heresy and Christian identity have focused on the second century rather than on the earlier texts including the New Testament The book further makes a methodological contribution by blurring the line between New Testament Studies and Early Christian studies employing ideological and post colonial critical methods

The time of suffering Bernhard Weiss,1889 *The Old & New Testament Student* William Rainey Harper,1889 *The Original New Testament* Hugh J. Schonfield, The story of Jesus as the writers of the New Testament meant it to be told Astonishingly unlike the New Testament as it has been handed down to us today this remarkable new translation makes the story come alive as never before Impelled by the latest archaeological and historical discoveries eminent scholar Hugh J Schonfield has returned the New Testament to its own time and place relating its documents to contemporary literature customs and beliefs The first truly historical translation with no theological motivation or devotional purpose The Original New Testament rediscovers the force and urgency of the original message Dr Schonfield systematically corrects mistakes in translation that have been compounded over time and eradicates later theological developments that he believes were falsely ascribed to the original writers Here is a work at once passionate in dedication and scholarly in execution The fresh and very readable translation of The Original New Testament suggests to both Jews and Christians that they have missed something in the story of Jesus of Nazareth In a very real sense it re emphasises the Jewishness of the New Testament And to those of both faiths it offers new

opportunities for understanding and applying the Bible's message Included are full historical and explanatory notes making this a vivid and inspiring translation which will also support the student of bible studies The Year-book of Spiritualism for 1871 Hudson Tuttle, 1871
