Per-Olof Hasselgren

The Other Cheek:

The Other Cheek Bob Stanhope,2010-05-19 This is the fourth of a series of novels that revolve around JP Parker a 100 year old long time retired New York City private detective from the 30s 40s and 50s The novels are his first person recollections as told to a young writer who is compiling them into book form They deal with his most notable cases and the famous people who crossed his path Parker is asked by an old friend to accompany him to Georgia to take care of the effects of his recently deceased brother It doesn't take Parker long to realize that the relatively young brother didn't die of natural causes Soon they're embroiled in a case that spans across the millennia all the way from the Vatican to New York to Georgia What was the secret that his friend's brother was willing to die for and why are people from all over the world descending on one little southern town And what is the surprising final twist that isn't revealed until the very last page **Turn the Other Cheek!** Ephraim Kadala,2009 *Body Language from Head to Toe* Per-Olof Hasselgren,2015-08-20 Written by a physician *Body Language from Head to Toe* is a dictionary of American idioms and other expressions that contain the name of a body part The use of body part related expressions is both interesting and fun This book contains about 2 000 such idioms words and expressions such as with the back against the wall brainstorming sweet tooth and tongue in cheek Says author Per Olof Hasselgren As a surgeon I understand the importance of anatomy and the knowledge of organs and tissues This book reflects my longstanding interest in idioms and other expressions referring to body parts and it connects anatomy with the spoken and written language This book was written for three main reasons First anatomy matters particularly in surgery During the last several years collecting such expressions became a hobby for the author Second as someone moving to this country from another part of the world Dr Hasselgren is interested in the peculiarities of the American language Idioms slang and other expressions are specific for any given language and quite often cannot be directly translated Third when one starts to be aware of them written and spoken body language can become quite entertaining **How Relationships Work, Second Edition** Irene Alexander,2020-06-12 This book explores some of the basic principles of a wide range of relationship topics from boundaries to sex to differentiation assertive communication and conflict We often are not taught these rules of the game of life when we are growing up and so have to learn them the hard way by trial and painful error This book won't explain how to manipulate people to make lots of money Nor how to charm everyone to your point of view Rather it is about learning to relate more openly and effectively to lead a good life that brings fulfillment and joy **Searching for Treasures** Andy Sprague,2025-10-10 My name is Andy Sprague My poems come from my heart and all the feelings I have I'm fifty two years old I've been locked up in prison twenty three years My full release date is 2049 I'm at Chillicothe Correctional Institute Feasting on the Word David Lyon Bartlett,Barbara Brown Taylor,2010-01-01 With the twelve volume series *Feasting on the Word* Westminster John Knox Press offers one of the most extensive and well respected resources for preaching on the market today When complete the twelve volumes will cover all of the Sundays in the three year lectionary

cycle along with moveable occasions The page layout is truly unique For each lectionary text preachers will find brief essays one each on the exegetical theological pastoral and homiletical challenges of the text Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents The printed volumes for Ordinary Time include the complementary stream during Year A the complementary stream during the first half of Year B the semicontinuous stream during the second half of Year B and the semicontinuous stream during Year C Beginning with the season after Pentecost in Year C the alternate lections for Ordinary Time not in the print volumes will be available online at feastingontheword.net **Three Lectures** Joseph Krauskopf,1895 **Peck's Uncle Ike and The Red Headed Boy**

George W. Peck,2022-09-16 In Peck's Uncle Ike and The Red Headed Boy George W Peck invites us into a humorous often heartwarming narrative that has firmly taken its place in the pantheon of classic American literature Peck's anecdotal style filled with wit and a penchant for exploring the quirks of life in the nineteenth century serves as an engaging backdrop for the escapades of its titular characters Woven within the tapestry of these misadventures are keen observations of the human condition rendered in a prose that is both accessible and reflective of its time capturing the ethos of a rapidly changing America at the turn of the century George W Peck's own experiences as a politician newspaper editor and a purveyor of humor undoubtedly informed his writing The playful camaraderie and satirical undertones present in the book may well be reflective of Peck's editorial history in dealing with the social dynamics of his day His ability to meld societal commentary with entertainment attests to a literary acumen that has provided insights as well as levity to generations of readers This edition of Peck's Uncle Ike and The Red Headed Boy is essential reading for anyone with an appreciation for classic humor and social satire DigiCat Publishing's meticulous reproduction of the original work ensures that modern readers can experience the full weight of Peck's legacy May this book find a cherished place on the shelves of avid historians literary enthusiasts and all who revel in the time honored tradition of storytelling that both delights and enlightens **A Select**
