## **The Other Hong Kong Report 1998:**

The Other Hong Kong Report 1998 Larry Chuen-ho Chow,Yiu-Kwan Fan,1998-12-31 Published annually since 1989 The Other Hong Kong Report is a review of the various aspects of development in Hong Kong in the past year by scholars and experts who are not government officials and is intended to offer an alternative view to that portrayed in government publications    The Other Hong Kong Report ,1998    *Housing and Social Change* Ray Forrest,James Lee,2003 The aim of this book is to provide a benchmark statement of key issues on housing and to emphasise the need to embed our understanding of housing issues in an international and multidisciplinary setting    *China's Accession to the World Trade Organization* Robert Ash,Heike Holbig,2013-04-03 With China s accession to the World Trade Organization imminent this book brings together the expert views of scholars policy makers and business representatives on the consequences of this historic event Insight into the past and future of China s relationship to the WTO is offered by authors involved on both sides of the negotiations on the EU China bilateral agreement of May 2000 and the on going negotiations up to spring 2001 An analyst and representatives from four economic sectors the automobile industry telecommunications insurance and banking clash over their predictions for the future Also presented is an investigation of the challenges for China s political social and legal systems and revealing prognoses are given for the implications for global trade and investment flows for the EU and Greater China and for the modus operandi of the WTO itself By shedding light on economic effects and social and legal implications the book gives a comprehensive picture of potential challenges arising from China s entry to the WTO

**Global Hong Kong** Cindy Wong,Gary McDonogh,2014-06-03 Global Hong Kong locates Hong Kong in the contemporary globalizing world Hong Kong as the authors argue is an archetypal place sitting at the intersection of East and West It is also a major center for global capital flows and world trade Moreover in recent years the island s global cultural power has become increasingly evident as Hong Kong popular culture has spread to the West via a booming film industry While looking at issues of postcoloniality transnationalism and economic globalization Wong and McDonogh focus on the new cultures and social formations of contemporary Hong Kong as well as the transformation of the physical city itself They also trace the new interconnections economic demographic social and cultural between Hong Kong and other parts of the worldthat have benn fostered by globalization Books in this series look at how nations and regions across the world are navigating the tumultuous currents of globalization Concise descriptive interdisciplinary and theoretically informed they serve as ideal introductions to the peoples and places of our increasingly globalized world    **Political Communication in Asia** Lars Willnat,Annette Aw,2009-03-23 This edited volume provides a critical review of political communication research conducted in Asia over the past twenty years Each chapter focuses on studies published in a specific Asian country selected according to the level of contribution made to the field of political communication in Asia Covering China Hong Kong Taiwan South Korea Japan Singapore Malaysia Indonesia and India the book s primary objective is to review the unique theoretical accomplishments

made by Asian communication scholars thus contributing to a better awareness and understanding of political communication research in Asia. The contributors are well respected Asian media scholars writing on political communication in their countries of origin. Each author reviews studies conducted and published in his/her native country and language. This book provides a first review of these studies, most of which have never been published in English and makes them available to international scholars. The contributors discuss each country's political background and address the findings and conclusions of the political communication studies conducted in their respective countries during the past two decades. The chapters focus on insights that have been made by adapting Western media theories to the unique social, cultural or political contexts that exist in each country. The authors also point out possible gaps in the current research within their respective countries and to make recommendations for future studies.

**Social Welfare and Social Development in the New Millennium**, 2001    **Government Capacity and the Hong Kong Civil Service** John P. Burns, 2004 This book examines in detail the political context within which the civil service operates including the role of the central government in Hong Kong SAR civil service policy making, the changing leadership role of Hong Kong's administrative elite and attempts by the government to boost executive accountability since 2002.

**Journal**, 2001    **How Asia Votes** John Fuh-sheng Hsieh, David Newman, 2002 The 1990s can be characterized as the decade when the Asia Pacific Rim Nations embraced elections. How Asia Votes focuses on twelve countries and examines how their elections have been conducted, the domestic implications and how the elections have differed from one another and from elections in the West. While elections had previously been used to justify and legitimate the selection of rulers in several Asia Pacific countries, the broad acceptance and use of elections to select rulers is a relatively new phenomenon. The fourth in a heralded series of books on comparative elections following New Labour Triumphs Britain at the Polls, How Russia Votes and How France Votes.
