**An Essay on the Welsh Saints Or the Primitive Christians** Rice Rees,2015-07-20 Excerpt from An Essay on the Welsh Saints or the Primitive Christians Usually Considered to Have Been the Founder of Churches in Wales As an apology for presenting these pages to the public it is perhaps necessary to inform the reader that they were originally written with a view to competition for a premium offered by the Committee of the Gwent and Dyfed Royal Eisteddfod for the best dissertation on the following subject The Notices of the Primitive Christians by whom the Welsh Churches were founded and to whom dedicated Out of several compositions transmitted for the approbation of the Society the Essay now printed in an enlarged form was adjudged to be successful accompanied with a recommendation that it should be published and though some time has elapsed since the occasion which called it into existence it is hoped that the interest naturally attached to its subject will ensure it a favourable reception Historians have laboured to trace the origin of the Britons a profusion of learning has been expended in the endeavour to unravel the mysteries of Druidism and the antiquarian who finds any vestiges of the occupation of this island by the Romans carefully records the discovery so long as the inhabitants of Britain feel an interest in the history of their forefathers disquisitions upon those subjects must demand attention though the materials of information are exceedingly scanty About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find
