Brame, 1984 **No Peace, No Honor** Larry Berman, 2001-09-23 In this shocking expos on the betrayal of South Vietnam premier historian Larry Berman uses never before seen North Vietnamese documents to create a sweeping indictment against President Nixon and Henry Kissinger On April 30 1975 when U S helicopters pulled the last soldiers out of Saigon the question lingered Had American and Vietnamese lives been lost in vain When the city fell shortly thereafter the answer was clearly yes The Agreement on Ending the War and Restoring Peace in Vietnam signed by Henry Kissinger in 1973 and hailed as peace with honor by President Nixon was a travesty In No Peace No Honor Larry Berman reveals the long hidden truth in secret documents concerning U S negotiations that Kissinger had sealed negotiations that led to his sharing the Nobel Peace Prize Based on newly declassified information and a complete North Vietnamese transcription of the talks Berman offers the real story for the first time proving that there is only one word for Nixon and Kissinger's actions toward the United States former ally and the tens of thousands of soldiers who fought and died betrayal **Stiffed** Susan Faludi, 2011-11-30 With the publication of Backlash Pulitzer prize winning journalist Susan Faludi became a world renowned authority on the gender war and backlash in the gender sense became a household word Stiffed picks up where Backlash left off It seeks to understand male behaviour in order to close the chasm between the sexes and asks the all important question why Why are men so fearful and aggressive in the face of women's independence Why is a little liberation seen as too much What is it that men really fear and why Where other theorists have looked at The Woman Question Faludi shows us that we should really focus on The Man Question at the end of the millennium it is men who are in crisis With her sharp historical sense meticulous documentation and lively probing reportage and with a remarkable empathy she argues that men as well as women are at the mercy of social forces distorting their lives She takes us on a journey through the modern masculine landscape with unexpected revelations along the way from the shuttered shipyards to the mass lay offs of the defence industries from Hollywood action heroes to gang torn streets from militia men to Promise Keepers praying husbands to male porn actors [American Book Publishing Record](#), 1992 [Subject Catalog, 1979](#) Library of Congress, 1979 [Subject Catalog](#) Library of Congress, 1982 **Library of Congress Catalogs** Library of Congress, 1980 [Our Town](#) Cynthia Carr, 2006-03-21 The brutal lynching of two young black men in Marion Indiana on August 7 1930 cast a shadow over the town that still lingers It is only one event in the long and complicated history of race relations in Marion a history much ignored and considered by many to be best forgotten But the lynching cannot be forgotten It is too much a part of the fabric of Marion too much ingrained even now in the minds of those who live there In Our Town journalist Cynthia Carr explores the issues of race loyalty and memory in America through the lens of a specific hate crime that occurred in Marion but could have happened

anywhere Marion is our town America s town and its legacy is our legacy Like everyone in Marion Carr knew the basic details of the lynching even as a child three black men were arrested for attempted murder and rape and two of them were hanged in the courthouse square a fate the third miraculously escaped Meeting James Cameron the man who d survived led her to examine how the quiet Midwestern town she loved could harbor such dark secrets Spurred by the realization that like her millions of white Americans are intimately connected to this hidden history Carr began an investigation into the events of that night racism in Marion the presence of the Ku Klux Klan past and present in Indiana and her own grandfather s involvement She uncovered a pattern of white guilt and indifference of black anger and fear that are the hallmark of race relations across the country In a sweeping narrative that takes her from the angry energy of a white supremacist rally to the peaceful fields of Weaver once an all black settlement neighboring Marion in search of the good and the bad in the story of race in America Carr returns to her roots to seek out the fascinating people and places that have shaped the town Her intensely compelling account of the Marion lynching and of her own family s secrets offers a fresh examination of the complex legacy of whiteness in America Part mystery part history part true crime saga Our Town is a riveting read that lays bare a raw and little chronicled facet of our national memory and provides a starting point toward reconciliation with the past On August 7 1930 three black teenagers were dragged from their jail cells in Marion Indiana and beaten before a howling mob Two of them were hanged by fate the third escaped A photo taken that night shows the bodies hanging from the tree but focuses on the faces in the crowd some enraged some laughing and some subdued perhaps already feeling the first pangs of regret Sixty three years later journalist Cynthia Carr began searching the photo for her grandfather s face
