**The Cosmic Jest: The Joke's On Us** Mark Romel, 2018-09-05 Salman Rushdie wrote DC Washington is being taken over by DC Comics The world is increasingly understood as a comic story involving superheroes and supervillains Confusingly they are often one and the same Donald Trump is the superhero for conservatives and the supervillain for liberals Heroes and villains are now shapeshifters They no longer reflect a common narrative Their heroism or villainy depends on where you stand in the culture wars Next time you go to watch a superhero movie imagine what it would be like if the superhero kept flickering into his opposite the supervillain Would you be able to follow the story Whom would you be rooting for Wouldn t the plot be all over the place You wouldn t understand anyone s motivation The story would be pure chaos Welcome to the Cosmic Jest Read this book if you don t want the joke to be on you

**The Outsider, Art and Humour** Paul Clements, 2020-05-07 This cross disciplinary book situated on the periphery of culture employs humour to better comprehend the arts the outsider and exclusion illuminating the ever changing social landscape the vagaries of taste and limits of political correctness Each chapter deals with specific themes and approaches from the construct of outsider and complexity of humour to Outsider Art and spaces using various theoretical and analytical methods Paul Clements draws on humour

especially from visual arts and culture and to a lesser extent literature film music and performance as a tool of ridicule amongst other discourses employed by the powerful but also as a weapon to satirize them These ambiguous representations vary depending on context often assimilated then reinterpreted in a game of authenticity that is poignant in a world of facsimile and fake news The humour styles of a range of artists are highlighted to reveal the fluidity and diversity of meaning which challenges expectations and at its best offers resistance and crucially a voice for the marginal This book will be of particular interest to scholars in art history cultural studies fine art humour studies and visual culture **Heritage**
